EDITOR'S CORNER

E-mail articles, photos, information to the editor at adrian@nelsonbros.com.au. Deadline is midnight Sunday for Tuesday publication.

We're on the web! Go to rotarygleneira.org.au

Editorial. Well it's one meeting down and we all survived our new President and new Sergeant. Our new Treasurer Berndt Nolle ("the new Kurt") has adopted his role with gusto and all members should make sure they receive their Fee Invoices from him. Our new Program Director Robert Alford is also asking for suggestions for speakers and topics. The old Kurt advises that our club last year made donations to various charities totalling \$25,308.10. Our Sergeant-at-Arms extracted \$1,634.30 in fines and our little piggy box raised a further \$717.20. Our weekly raffle also raised \$718.50.

What was wrong with the old Kurt?

Behind the member: Sue Aarons

Our newest member Sue Aarons is married to Joe, has five children and eight great grandchildren. They keep her busy!

Sue studied science at university, majoring in genetics and pharmacology, before completing a diploma of education.

Her early work saw her involved in genetic counselling. This prompted her to return to university where she then studied social

work.

Sue has been a social worker at Peter Mac, plus at local Bethlehem Hospital in the palliative care unit.

She moved on from there when her mother became ill and she focussed on caring for her.

In recent years, her interests have been in two

This is not Sue Aarons

particular areas: (1) lawn bowls, and (2) as a Visitor of the Office of the Public Advocate.

Sue thanks the club for making her and Joe feel so welcome. Sue, we enjoy having you!

Johannes goes home

This Thursday after 12 months as our club's Youth Exchange student, Johannes Kemmer will return home to Germany.

Johannes had a bonza time

The pantries of his host families (the Fenbys, the Deinimas, the Sherlocks, and the Ashers) all coped with his voracious appetite.

His host school Glen Eira College was proud to have him as a student and soccer coach.

Johannes, as a club we have enjoyed having you and look forward

to hearing from you once you return home.

To our members, please stay around following tonight's meeting for a few extra drinks and to say "auf wiedersehen"!

Return of Partners Nights

At last week's Club Forum, the club agreed that on the 2nd Tuesday of each month, the weekly meeting will be a partner's night.

No other committee meeting will be held on the 2nd Tuesday, so that partners do not have to hang around and harass their spouse for being late.

Our Sergeant has also requested that other club members provide partners for single members on these nights.

Leave of Absence.

As all Rotary clubs are measured on their attendance, it is important that if you are going away for four weeks or more that you apply for leave of absence.

Simply e-mail the Secretary with the details and your absence will not affect the Club's or your attendance.

Currently the following members are on Leave of Absence:

Sean Kain, Stan Maserow, Ray McInnes and Syd Travitz.
