What is a Paul Harris Fellow?

A tribute to our club's Paul Harris Fellows

EDITOR'S CORNER

E-mail articles, photos, information to the editor at adrian@nelsonbros.com.au. Deadline is midnight Sunday for Tuesday publication.

We're on the web! Go to rotarygleneira.org.au

Editorial. This week we acknowledge those who have made a great contribution to our Club, our Paul Harris Fellows. Who are they and what is a Paul Harris Fellow? Throughout the year the GEN will teach us all a little more about Rotary and our club. After last week's Frog in the Pond and Party Pies, we can report that Johannes safely made it on his plane home to Germany. Our Yobbo President Lazza (who introduced our Aussie members Johnno, Davo and Yoshiko) was allowed home by his wife, despite the thongs and zinc cream. And don't forget next week's meeting is not at the London Tavern but instead at the Gallery at Glen Eira Town Hall.

Regrettably, our President didn't join Johannes on his flight

About the Yarra

Last week's speaker was Ian Penrose from *Keepers of the Yarra*, a community group aiming to grow awareness of our city's river.

Appropriately, on Johannes' last night with our club, Ian revealed that he himself was a Rotary

What next for the Yarra?

Youth Exchange student to the USA in 1965.

He spoke about pollution, development and water flows of the river, which starts at Mount Gregory (near Mount Baw Baw).

We learnt that "Yarra Yarra" is an aboriginal word for flowing water, that 70% of Melbourne's drinking water comes from the Yarra, and that the river has provided inspiration for a number of artists, including those from the Heidelberg School and Arthur Streeton.

Next week at the Glen Eira Gallery

Next week we will meet at the Glen Eira City Council Gallery at the City of Glen Eira Town Hall, where the 88th annual exhibition of the Twenty Melbourne Painters Society takes place. Contact Sue Nolle for further information.

What is a Paul Harris Fellow?

On Changeover Night, our Club presented Bev Fookes with a Paul Harris Fellow award and Marc Fookes with a Multiple Paul Harris Sapphire pin. What is a Paul Harris Fellow and how is it awarded?

Recognition for a Paul Harris Fellow award (named after Rotary founder Paul Harris) requires a donation to the Rotary Foundation of US\$1,000, with which the Foundation can perform the following types of projects:

- Provide artificial limbs for 25 disabled people in Calcutta
- Establish a tree in Jamaica which produces 5,000 seedlings annually, increasing family income for 700 farmers

Over years, our club receives credits for its donations to the Foundation which then allows us to present more awards if we see fit.

The recipient is selected by our club's Paul Harris Fellow committee, chaired by the President. Paul Harris Fellows are not given every year.

The awards may be given to club members for their contribution to the club, the community and to Rotary International. Awards may also be given to non-club members who show the attributes of goodwill, peace and understanding.

On the left is a list of all the Paul Harris Fellows presented by our club since 1987.
