AIRCRAFT PUN SHOCK!

Two vultures board an aeroplane, each carrying two dead raccoons. The stewardess looks at them and says, "I'm sorry, gentlemen, only one carrion allowed per passenger."

GOTCHA

One too many pumpkins?

EXCLUSIVE

Our master of puns, Vocational Director and Past President Ian Marks has been exposed for performing some "creative" photography on Changeover Night, the GEN has learnt.

With wife Patsy at Scottish Dancing Class, Marks let his hair down on the night, a source close to the Past President revealed.

Given the task of taking photos for the GEN, PP Marks managed to take some great shots of the presidential hand-over, and of the new Sergeant (always a good idea to schmooze up to the new Sergeant). On developing the film however, several shots of carpet, table legs, plus a mystery man's groin were revealed.

Anyone with any further information, please contact the GEN.

Editorial. This month the GEN goes tabloid, after last month's TIME for a change. We go for the hard news, exposing major Club Scandals!

With sadness, we say au revoir to our great friend Ray McInnes who is moving to a Rotary Club closer to his parish in Albert Park. Ray & Glenys, you will be missed. Well done to Sue Nolle and David Nettelbeck for last week's meeting at the gallery.

Don't forget this month is membership month, a great opportunity to invite non-Rotarians to our club. Alternatively invite them along to [jindabyne](http://jindabyne.com.au) at the Classic Cinema on 7th August at 10.30am, this month's ROCAN movie.

Women in Rotary

On May 4 1987, the US Supreme Court rejected the contention that Rotary's policy of excluding women is protected by the First Amendment after the Rotary Club of Duarte, California wanted to induct female members. We now had women in Rotary.

Records on the first women are poor. "When an individual becomes a Rotarian, information on that person is sent to Rotary International in order for us to send the new member our magazine 'The Rotarian.' The question of gender is not asked nor needed. Consequently, we have no statistics, nor names, to offer you regarding the first women Rotarians.", says a Rotary International official. It can only be estimated that last year 138,980 Members, 2,350 Presidents, and 51 District Governors were women.

31% of the Rotary Club of Glen Eira's active members are female. Globally, women represent about 12% of Rotary membership. We do not select new members based on gender but clearly our club is closer to representing society than the rest of Rotary.

Everybody Loves Ray

It is our Club's loss and the Rotary Club of Albert Park's gain that Ray McInnes is changing Rotary Clubs.

Ray joined us in 2004 when running Jerboa Prints & Framing in Glenhantly Road. He was immediately a popular member of our club, becoming bulletin editor. His sketch of all club members was a clear highlight.

Upon moving back to the priesthood and becoming vicar at St Silas in Albert Park, Ray and Glenys have found it increasingly difficult to be involved with us due to conflicting timetables and activities.

We wish them well at their new Club and still hope to see them regularly at our events.

This is Ray McInnes
