Editorial. It's Grand Final week and none of our teams have made it this far. So instead let's celebrate the Rotary Club of Glen Eira Team led by Captain Larry in our inaugural special keepsake Grand Final Edition GEN. Next week starts Rotary's Vocational Month and we will have a vocational site visit at Caulfield General Medical Centre, seeing what makes the hospital tick and what has happened to our bladder scanner. The GEN will take a week's holiday and return at the London Tavern with Les Twentyman on the 10th of October. Thanks to those who helped at Caulfield Racecourse last Saturday with the tin rattling. And don't forget to book a table at our Trivia Night on 28th October. See Jacques for tickets. And make sure you cheer loudly on Saturday!

**UPCOMING MOVIE NIGHT**

Book your tickets now with Bev Fookes for our next movie night.

The *Devil Wears Prada*, starring Meryl Streep, is showing at the Classic Cinema, Elsternwick on **Sunday 8th October**.

Based on the book of the same name, the movie is a scathing satire of the fashion industry.

Our movie nights are a great opportunity to bring your friends to a casual evening of a movie and dinner afterwards if you're interested. This is our first movie night of the new Rotary year, so come along!

**DISTRICT COMMITTEES**

Our Club is very active within Rotary District 9800. We have eight members (nearly a third of our club) involved in District activities.

Marc Fookes is our most senior District representative as Chairman of the District New Generations Committee. Ian Marks is Secretary of the same committee.

Kurt Langfelder is involved with Rotary Youth Driver Awareness (RYDA), and Ros Michelson is active with RYPEN. Both Geoff Asher and Sean Kain are busy with Youth Exchange.

John Strong participates in the Support a Village Initiative (SAVI) Committee. Adrian Nelson is an Ambassadorial Scholar Counsellor.
