Editorial. Another night at La Piazza Allegra as we welcome Paralympian Don Elgin to our club. Last week was another big one when we announced Margaret Cummins as this year's Unsung Hero. Our bulletin editor was revealed as our District's GSE Team Leader to the Netherlands in May. Any requests for clogs or windmills should be made early. Don't forget the upcoming Trivia Night on 28th October and the Sausage Sizzle at Buntings Oakleigh on the 21st.

WHAT IS UNAUSTRAIAN?

- The new IR laws are "divisive, extreme, unfair and un-Australian" - Kim Beazley.
 - Criticising the federal government over its detention of asylum seekers shows an "un-Australian lack of concern for sovereignty and security" - John Howard.
 - Sleep deprivation is dangerous and un-Australian - Greens Leader Bob Brown.
 - Not eating lamb is un-Australian - Sam Kekovich in a Meat and Livestock Australia ad.
 - Suggesting there's an anti-intellectual climate in Australia is un-Australian - actor/cultural commentator Jeremy Sims.
 - The concept of spectators at the Brisbane Gabba "dobbing in a yobbo" by using their mobile phones to alert authorities to any unruly crowd members may be regarded as un-Australian - Queensland Cricket chief executive Graham Dixon.
 - John Howard's "new nationalism" reflects an Australia which is, at its heart, un-Australian - Christopher Bantick.
 - It's un-Australian to prevent southerners from migrating to Queensland - Bernard Salt.
 - The Sydney race riots were un-Australian - The Forum on Australia's Islamic Relations (FAIR).
 - Not to be interested in the AFL Grand Final is un-Australian - HG Nelson.
- Now there's a set of values for migrants to sign up for!

**HONORARY MEMBERS**

From time to time, our club's board appoints honorary members of our club.

Founding President Geoff Oscar was the first Honorary Member of our club, and in 2004 Bill Silvester was also made an honorary member at then President Ian Marks' changeover night.

Last year, our favourite Egyptian (see profile below) Jacques Süßmann was made our most recent honorary member.

We thank our honorary members for their contribution to our club.

October is Vocational Month. We have had our vocational visit to Caulfield General Medical Centre, presented our Unsung Hero Award, our District chose its GSE leader, and we continue plans for our Business Breakfast

DISTRICT GOVERNOR

Next week we hear about the State of our District direct from the mouth of our own District Governor Bernie Walshe. Bernie is married to Margaret and has four children and eight grandchildren. He is a member of RC Hawthorn, & is a dual sapphire Paul Harris Fellow.

Bernie was Assistant Governor of Beachside Cluster from 2003-2005 and became a close friend of our club.

DG Bernie & Margaret Walshe are with us next week
