Paddy was driving down the street in a sweat because he had an important meeting and couldn't find a parking place. Looking up to heaven he said, "Lord take pity on me. If you find me a parking place I will go to Mass every Sunday for the rest of me life and give up me Irish Whiskey". Miraculously, a parking place appeared. Paddy looked up again and said, "Never mind, I found one."

The Centurion Club

Rotary Foundation Month

The Centurion Club is a convenient and personal way of supporting The Rotary Foundation by way of donating A\$100 per year (or more if you so wish), for as long as you are in a position to do so. This is an opportunity for Rotarians and others to support the humanitarian work of the Rotary Foundation in alleviating abject poverty, educating the illiterate and relieving the scourge of disease. Your annual donation (from only \$1.92 per week and tax deductible) is paid to the Australian Rotary Foundation Trust and is used to finance the work of the Rotary Foundation. Fifty percent of the money you donate comes back to District 9800 after 3 years.

RYLA

Our Club is the host club for the forthcoming RYLA Camp next month.

We will be hosting our Rotary meeting that week on *Wednesday 6th December* at 6.30pm at the camp in Holloway Road, Wonga Park.

This will be a meeting in the company of the District Governor and about 70 Rotarians. The cost will be \$20.

It is important that you mark your diaries now as we will be running the meeting and collecting money. For those who have been before, you know how enjoyable a night it will be.

Our Club's Annual General Meeting

Next week is our club's Annual General Meeting. We will combine it with our Club Forum to generate discussion about any issues you may currently wish to discuss.

The AGM is also an opportunity to confirm our President Elect, plus to hear from our Club Treasurer about our Club's Finances.

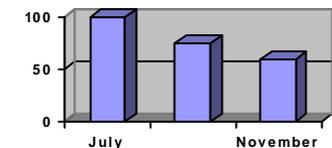

I'm sure you're all looking forward to

having a fun night.

The Club Forum accompanying the AGM provides you with the chance to give feedback about our great club.

As President Larry says, "This is your opportunity to help stamp your mark on what we are doing well and what needs improvement, what you want more of and what you want less of."

Editorial. After a week off, we return refreshed to our club. To finish off October, what a surprise for our club to have as its visitor PDG Jorg Zempel from Germany. With our guest speaker a last minute withdrawal, it was great to hear from an international Rotarian of his stature. This week our President reveals his Green side and tells about his own Backyard Blitz.

Congratulations to Yoshiko "Delta Blues" Stynes and Jo Jo "Pop Rock" Mishima for their efforts last Tuesday. Well done also to those who helped out last Saturday week at Bunnings Oakleigh with the Sausage Sizzle. We made about \$700.

This month is Rotary Foundation Month, and an opportunity to learn about the projects and programs Rotary has across the world. This week the Gen features our Ambassadorial Scholar program.

Ambassadorial Scholarship

The Rotary Foundation's oldest and best-known program is Ambassadorial Scholarships. Since 1947 nearly 37,000 men and women from 100 nations have studied abroad under its auspices. Today it is the world's largest privately funded international scholarships program. Nearly 800 scholarships were awarded for study in 2005-06. Through grants totaling approximately US\$500 million, recipients from some 70 countries studied in more than 70 nations.

The purpose of the Ambassadorial Scholarships program is to further international understanding and friendly relations among people of different countries. The program sponsors several types of scholarships for undergraduate and graduate students as well as for qualified professionals pursuing vocational studies. While abroad, scholars serve as ambassadors of goodwill to the people of the host country and give presentations about their homelands to Rotary clubs and other groups. Upon returning home, scholars share with Rotarians and others the experiences that led to greater understanding of their host countries.

Generous contributions from Rotarians worldwide represent continued faith that the students who are Ambassadorial Scholars today will be tomorrow's community and world leaders. Last year our club hosted Scott Doty as an Ambassadorial Scholar. In the New Year, Mike Jaruszewicz arrives from South Carolina, with Adrian Nelson as his host counsellor.

Bunnings Sizzles!

A crack team of Glen Eira sausage sizzlers let loose at Bunnings in Warrigal Road on 4th November. Thank you to Marc Fookes for ensuring we had well prepared

sausages and onions for the BBQ.

\$700 was raised for our club's unbudgeted projects over the course of the year, starting with helping a 14 year old athlete from Glen Eira college attend the National Championships. Her mother is recovering from cancer after her father died a number of years ago.
