What is the Foundation?

Rotary Foundation Month

The mission of The Rotary Foundation is to support the efforts of Rotary International in the fulfillment of the Object of Rotary, Rotary's mission, and the achievement of world understanding and peace through local, national, and international humanitarian, educational, and cultural programs.

Our club supports the Rotary Foundation by holding movie nights, sponsoring Paul Harris Fellows, our pig 'Fugly', and through other fundraising activities.

Benefactor Recognition Program

The Rotary Foundation recognises as a Benefactor any one who informs the Foundation in writing that he or she has made provision in his or her will or other estate plan naming the Foundation's Permanent Fund as a beneficiary or who makes an outright gift of US\$1,000 to the Permanent Fund. A personalised Certificate and Insignia are issued to the Benefactor.

PolioPlus

"Rotary's PolioPlus Program is a shining example of the achievements made possible by cooperation between the United Nations and non-governmental organizations." — **Kofi Annan, Secretary General of the United Nations**

"Thank you, Rotarians, for recognizing that a world without polio is possible. You have been the catalyst for the world to accept and carry out the challenge of eradicating polio from the earth." — **Bill Gates, Bill & Melinda Gates Foundation**

Matching Grant Programs

Matching Grant Programs are intended to assist a community in need through an international service project carried out in cooperation with Rotarians in another District in another country. There is expected to be active participation of Rotarians in both the sponsor and project site countries.

The Rotary Foundation will match contributions to the project on a \$ for \$ basis. This means double the value for our project.

A significant portion of contributions to the project must come from outside the project country. Projects can be sourced from publications detailing World Community Service projects, from contacts your Club members may have made with overseas Rotarians through programs such as GSE, at International Assemblies and Conventions or through international exchange scholars.

Both the international and host sponsors must work together to prepare and submit interim and final reports. Sponsors are required to submit an interim report every 6 months for the life of the project and a final report within two months of completing the project.
