**Editorial.**

Welcome to our Dutch visitors from Rotary District 1580. We are pleased to show you our club and to find out more about you.

Our 19th Annual Businessperson's Breakfast is now just over a week away. It promises to be a terrific event with Andrew Bolt as guest speaker. Tickets are still available. At the end of this week, some of our members head off to Canberra for our District's Conference. For those not going, mark your diaries for next year as it's always a great event.

**Acting President Ian Marks**

Well it's great to have Ian back in the chair and last week he fitted into his old role like an old glove! (probably not quite as smelly though) Of course our head table is now the most height-challenged in the District.

With many upcoming events and activities (including District Conference, our Business Breakfast, a trip to Japan, plus other excitement), we need your help as a member more than ever.

No-one ever joined Rotary so that they could do nothing. If Ian asks you for a helping hand over the next few months, now is the time to reciprocate and to get involved.

**Marian Dimand is our club's new Almoner.** Thank you to Marian for offering to take on this role. If you have any news about any member past or present, including births, deaths, marriages or health issues, please let Marian know so that as a club we can acknowledge them.

This month is Rotary's World Literacy Month, following World Understanding Month in February.

Our club is certainly making the most of the international nature of Rotary. In the next couple of weeks, a contingency of Glen Eira Rotarians head to Japan to participate in birthday celebrations with the Rotary Club of Ogaki-West. Members will recall our Japanese visitors from last year and the great fun we had with them. Sean Kain certainly signed many photos of his backside.

Our contingent leaves with the club's best wishes. We look forward to some great stories from your trip when you return. You will no doubt get up to much mischief.

**Destination Japan****Rotary etiquette: Your questions answered**

**Q: Dear Auntie, I've left my Rotary lapel pin on my other jacket, what should I do? JS**

A: Common mistake JS. The short term solution is to avoid the Sergeant for the evening. Under no circumstances let him see that it is missing. Turn the other way, cover it with your napkin, anything you can. In the longer term, you really only need one jacket. Geoff Asher recommends anything our Bulletin Editor wears (he has a fixation with orange, leopard print, and others). You may prefer something more traditional. If you only wear one jacket, then your Rotary pin will always remain in it and you'll never forget again.

E-mail your Rotary etiquette questions to the editor to pass onto Auntie Etiquette.
