**Editorial.**

Thank you to club members who ventured across to Altona last week to celebrate the return of our District's Group Study Exchange Team from District 1580 in Holland. The support was much appreciated by all the team. Tonight you can ask what happened behind the scenes of the trip and find out what vocations were present at a Rotary meeting in the middle of Amsterdam's red light district!

Next week is our Club Changeover Night where we look forward to the new Rotary year. We can hardly wait!

**Cover:** Frank Jacobs, master painter and an original charter member of our club became an Honorary Rotarian at a presentation at his home two weeks ago. Frank has always been a very active, hands-on member of the club, always willing to help with any project. In recent months, due to ill health, Frank has found it difficult to make it to meetings. This presentation in a small way reflects our thanks and appreciation for his work and membership. We hope to see much more of him.

Next week is the last GEN for this Rotary year.

# New signage at London Tavern

Amidst the renovations at our meeting venue, the London Tavern, we now also have a sign outside the building advertising our club!

Thanks to Club Service Director John Strong for organising this.

The photos to the right show the sign and also a group of Rotarians following our last meeting. It is sure to be recognised by Rotarians from other clubs looking for a makeup. Maybe it will also make people interested in seeing what Rotary is all about.

# Changeover Night

## *A Night at the Races*

Next week is our Club Changeover Night at the London Tavern, same time as normal. Be prepared for the following:

- 3 course meal
- phantom race call
- fashions on the field (men and women)
- Personalized jockey silks
- Dress to kill
- And new President David is inducted!
