The New Rotary Year

Dear Rotarians and friends,
 Firstly allow me to thank you for your support of our change over and helping make the night an enjoyable success. This year marks our 20th Anniversary. That is well worth celebrating. I look forward to the coming year with great anticipation as we re-focus on Rotary and contributing to our community.

You will currently be receiving your annual subscriptions at this time and I look forward to all of us putting our hand up and reapplying the basics of Rotary. It should be an exciting year.

We are fortunate to have many people that wish our Club continued success and in this light I look forward to working with you all to achieve this outcome.

We have our Annual Breakfast to showcase our Club's abilities. We will also be planning a 20 year celebration function plus other projects to ensure a healthy year.

Thank you for good wishes, now let the year begin.

David

Great News re Raffles et al

The changeover night raffles and Calcutta featuring that "Changeover Race" has raised in the vicinity of \$500! This money will be donated to the pre designated asylum assistance. Well done all! A very special thank you to David Nettelbeck on his organization in ensuring a successful raffle. Thank you to all who donated prizes and please inform Secretary Jan Hill "who donated what" so she can send a thank you letter to them on our Club's behalf.

Editor's Note:

For the time being I will be putting together *the Gen* and I must note a huge congratulations to PP Adrian Nelson for completing the very best *Gen* in our Club's history. As I previously prepared *The Gen* for a whole year I understand what a major task this is, time and content wise. Adrian had colour, fun, education and a good laugh. More importantly I noticed members really looking forward to reading the *Bulletin*. Both Jan Hill and myself represented our Club at the District Changeover lunch and whilst our *Bulletin* did not win the prize for best newsletter / bulletin in our category (under 30 members) I still feel our *Bulletin* was outstanding. Special note of thanks to Jan for putting together an excellent bounded presentation, no mean feat. I almost feel a sense of disappointment as I plug on with this *Gen* as it returns to a more basic format. That said, in my capacity as Editor I will attempt to bring some Rotary education and ofcourse my own unique brand of humour with the obligatory trivia facts I tend to throw in. - Ed.

Fact:

Our Club was chartered on
10th November 1987.
That's 20 years!!!
