Rotary Education: RYLA

September is New Generations month. With this in mind, it is apt to discuss an activity of New Generations that has become a special part of our Club's activities from time to time. **RYLA**. This acronym stands for “Rotary Youth Leadership Award.” The RYLA program is a week in duration and is held in December. Last year our Club had a significant role in this program which entailed our involvement including the “Dinner” and farewell BBQ.

The program is for young people aged 18 — 25. The focus of the program is self leadership and the community.

RYLA encourages its participants to come from diverse backgrounds which in turn educates them about the positives and strengths of these differing backgrounds. The program encourages its participants to deliver their own program for their own development.

Participants can nominate themselves to participate or be nominated by their local Rotary Club. The selection process includes a written application.

Our New Generations Director is Ros Michelson and Ros also has involvement in New Generations on a District level.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary, coming events and news. Your item can be emailed to the editor: david.heuberger@anz.com Preferred deadline Friday 5pm.

WE RAISE \$576

On a beautiful Saturday, the first day of spring, after racing returned to Victoria following the precautions against Equine Influenza (EI), Caulfield Racecourse played host to a little more than just a race meeting. Our Rotary Club was the race club's preferred charity collector. We raised **\$576** from tin rattling and these monies will go via Rotary's Health area for the **Prevention of Youth Suicide**. We take this opportunity to thank our Rotarians for their collection work and their fellowship during the day. Thank you to **Jack Dimand, Max Sherlock, Jan Hill, Ian Marks, Larry Blode, Sam Binstock and the Editor!** Also a thanks to our newest Rotarian **James Robertson** for assisting the counting of the coin with **the Editor!** These opportunities enable our Club to collect for a worthy cause and demonstrate to our wider community that Rotary does good in the world. Our Club is also then in a position to establish a good relationship with a major organization within our immediate surrounds. We look forward to more collection days.

And a little news from the snooping Editor...

After last week's fun night, when Dancing guru, Paul Zaidman, spoke about dancing, the Editor gleaned this morsel of information.... It seems that Berndt Nolle is a little bit of a twinkle toes himself. He cuts a dashing figure. Some time in 1972 at Hawthorn with an “Evening Three Step” he won the girl. He also dances a mean “Jive Talk.”

New Generations for Rotary? But this is **NOT** the Editor!
