**ASSISTANCE REQUIRED:** A refugee, **Ramadan Sermaxhaj**, who was a victim of violence during the war in Kosovo fled to Australia 4 years ago and now has citizenship. He has been living in a St Kilda boarding house but can't find work so has been dependent on Centre Link. His wife and teenage son have now been given a refugee visa and are due to arrive on Nov 14. He has been allocated a flat in Parkville but has nothing to put in it. Can anyone assist with a donation of a single or double bed and mattresses, kitchen utensils, cutlery and crockery as well as table, chairs and other furniture, linen etc? He will also need a fridge, washing machine, and computer for his son at school. If anyone is able to help in any way, please contact **David Nettelbeck on 9596 1125**. With thanks to David.

**RYPEN: Lancefield: A weekend of growth:**

Over the Caulfield Cup weekend, Our Club was the host Club of RYPEN. This is a getaway weekend for students of 15 -18 or thereabouts. We had a successful time so a big thank you to all who participated: **Ros Michelson, Rob O'Donnell, Max and Helen Sherlock, Sam Binstock, Jan Hill, Ian Marks, Jack Dimand, Geoff Asher, Marc Fookes**, ably assisted as our chef, and I. Thank you to all and numerous Rotarians stayed for the whole weekend. A highlight was that our members dressed to the nines on Saturday evening for the main dinner as they acted as waiters (see front cover). Ros our Director of **New Generations** led the way in the organization. There were 59 youngsters plus the Leaders so catering and cleaning and organizing was quite the task. A highlight was the guest speaker on Saturday night, **Stuart Tripp**, the audience was totally engaged as he told his story of losing his leg and the acceptance of this in his life. Very inspiring. He made a telling point: If there is one message I can leave you with is "tell people how you feel." We also explained what Rotary does and also what our Club is involved with. The District Governor Elect, **Jim Studebaker** was our District's representative, he enjoyed the night with wife **Carol**.

Youth Night: 16 October 2007

Our Club recently celebrated its Youth Night. Our three finalists with their mothers (above) were fine examples of why our area will be in good hands. Congratulations to all of them. We also listened to our guest speaker, Andy Scobie from the Lighthouse Foundation. Ros Michelson organized this successful night with over 20 prizes for the super raffle. Well done all.

**Club Annual General Meeting: 27 November 2007**

Please note notice is given that our Club will conduct its AGM on the above date. In accordance with practice, nominations will be called for the following positions: President Elect (2008—2009) and President Nominee (2009—2010). Please see the secretary for the necessary applications. An announcement will be made at coming meetings for any further details as required. We will also conduct the AGM at this time. Please note our AGM will be a part of the meeting on the above Tuesday.

International guests are always welcome at our Club. Recently we have been visited by a Thai Rotarian (left).
