This week's **Bulletin** features another small taste of our history. We explore the very first day of our Club's forming: The Charter Night on 10 November 1987. Our Charter members are listed (*left*) from the very original program. Also (*opposite leaf*) the Club's genesis is revisited with the Charter night and consequently the "same scene" 20 years later.

For more Pictures
 Members there is an array of similar historical pictures on our revamped website. Please have a look at it. With thanks to PP Adrian Nelson on his fine work on the website. If you wish to contribute your own blog on our site please contact Adrian.
