Make Ups Membership

Rotarians you are always entitled to make ups. This means that when you attend another Rotary meeting or function you may include this to your overall attendance.

Note: In our Club our rules state that in a designated half year you are allowed to use 20% of your attendance with make ups.

One way to ensure your attendance is measured is to have the Club you visit give you an attendance card which can be resented to the Secretary. Please ensure all make ups are conveyed to the secretary. Going to Conference or going to RYLAH, RYPEN are all make ups. As is say participating in our Club's election day fundraiser or coin collection day.

CLUSTER CLUB visits are a great way to have make ups. It also allows you to interact with other Rotarians and to observe how other clubs run their meetings. Our Cluster Clubs are: Brighton, Brighton North, Brighton Beach, Caulfield and Elsternwick. All members are welcome to attend their meetings.

Attendance

The Board has noted attendance (as canvassed last week in *The Gen*) and has written to various members whose attendance has not reached the required quota. As also noted, our Club is committed to embarking on a strong Rotary program of service so we look forward to your continued support.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary, coming events and news. Your item can be emailed to the editor: david.heuberger@anz.com Preferred deadline **Friday 5pm**.

NEXT WEEK: SITE VISIT

BETHLEHEM HOSPITAL "EYEGAZE"

Rotarians, next week from **6.30pm for 6.45pm** (our usual time) we will be meeting at Bethlehem Hospital for a visit observing "eyegaze" a new technology. Cost for the meeting **\$15** which will include a buffet style meal with platters of sandwiches and fruit et al. We thank Adrian Nelson for arranging and Bob Slater for assisting our site visit. Should be an excellent fun night.

Breakfast is served! We thank RC Brighton Beach for booking a table. We thank BRIGHTON TOYOTA for their sponsorship. Keep selling tickets!

CONFERENCE in Shepparton 2008

As of this writing, our District Conference was yet to occur. The Editor will place details in *The Gen* as they come to hand in the coming weeks. As of writing 13 Club representatives were planning to attend. A good time ahead...

Exceptionally committed to service above self, with a profile that befits Rotary. Resemblance aside, this is **NOT** the Editor! Only four weeks to go to our Breakfast. Looking forward to it! It raises our Profile!
