Club at Conference

Rotarians, well it was an exciting **Conference** held in **Shepparton**. The Club was ably represented by **13 attendees**. Also Roz Michelson presented to all of Conference on behalf of New Generations. We thank all attendees: Sam and Joyce Binstock; John and Kaye Strong; Max and Helen Sherlock; Ian and Patsy Marks; Jan Hill; David Heuberger; Larry Blode; Yoshiko Stynes and Jo Jo Mishima.

There were various guest speakers including Past Rotary International President Glen Kinross. The Conference intended to and highlighted the theme of Rotary this year being **Rotary Shares**. The Thursday dinner held in the park (under a canopy) opposite the convention location was a feast of international cuisine. A great high light was the **Club Dinner** on the Friday night held at a winery. The food, wine and great fellowship was superb. A fun night. Thank you to Max for his bottles of wine. Saturday highlighted Foundation and our Club presented our **US\$1,000** to Chris Don. This was formally acknowledged on Sunday by **District Governor, John Davis**. Saturday night Elvis Presley and Roy Orbison regaled all at the **Dinner. A hot night** — in many ways under the canopy. Sunday formally concluded the Conference.

Some of our Members then took advantage of some shopping at the **Ardmona outlet**. Then we bade goodbye to the Marks and Larry and said hello to Geoff and Coryl Asher as we spent a lovely day or so on the Murray at **Swan Hill**. Thank you to Yoshiko and Jo Jo for arranging our Club fellowship on a **paddle boat** on the **Murray River**. It was great fun. Next year's Conference is in beautiful Launceston (Tasmania). A wonderful opportunity to learn more about Rotary and enjoy each other's company in the new year of Rotary with the theme **"Make Dreams Real."** Hope to see you there.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary, coming events and news. Your item can be emailed to the editor: david.heuberger@anz.com Preferred deadline **Friday 5pm**.

Leave Of Absence:

Members as canvassed previously, Leaves Of Absences is to be formalized. As such the Board wishes that all members place any such request in writing to the Secretary. We will have such forms at the cashier area each meeting to assist members. Or a simple note / letter can be presented to the Secretary. Whilst the Board understands requests, please note we will seek time frames and follow guidelines of our rules of procedure. **Thank You.**

Bethlehem Visit

A quick thank you to all and sundry for making our visit such a successful night. A big thank you, for arranging this night, goes to Adrian Nelson. We learnt a lot from this local hospital.

RECENT Hot Weather?

No truth to the rumour that ice cream was scarce. No just a lonely incident one day.

A feather in one's cap is a great achievement. A feather in our Club's cap will be another successful Business Person's Breakfast. A fine looking cap on a fine looking individual, though in this instance, this is **NOT** the Editor, alas! Dressed in style for breakfast!
