Last week's Rotary: DG Jim Studebaker

Last week's meeting featured our District Governor, Jim Studebaker. His wife CVarol also visited our Club. We also were visited as guests by Assistant Governor, Iven MacKay and his wife Marilyn.

DG Jim spoke about five key markers in Rotary, of which highlighted were: service, fun, foundation and membership.

DG Jim spoke with passion about the incredible works of Rotary and how world president D K Lee wants to make dreams real and assist children's mortality rates. Polio eradication is almost there but we must be vigilant. Members were energized by the DG visit. Thank you Jim.

This week we also participated in a visit of 8 Club representatives to have fellowship with Caulfield RC at their lunch meeting. Thank you John Strong for organizing this wonderful fellowship.

Our Club also had about ten members participate with Glen Eira College students taking them through mock real life job interviews. Thanks to all who participated, this is about three years of doing same and students benefit greatly. Glen Eira College are very grateful.

DATE CHANGE: Dr Peter Holingworth Former Governor General

In a joint meeting with other Rotary Clubs, we will hear from Dr Hollingworth about the PACE program

Caulfield Hospital

Gear to assist others in need

Working bee party who recently assisted in picking up goods no longer of use at one of our local hospitals, CGMC, and then transporting this equipment to the needy in locations overseas. Our Club is a regular contributor in this type of work and often we forget to publicise amongst ourselves this good works. Thank you to Sam, Geoff, Jack and Max and all participants to serve our greater community.

NB: Coin collection day coming up in late September for Caulfield Racecourse. Further details: Jan Hill. Let's assist where we can, Rotary makes dreams real.
