## Pin Win call for Volunteers Rotary at Caulfield Racecourse October 11 and 18 *The Big Days*

The Bone Marrow Donor Institute has asked for our help at their fundraising booths at the Caulfield Racecourse on Saturday 11th and Saturday 18th October (the biggest racedays of the year!) The Melbourne Racing Club has granted permission and is keen to see Rotarians helping out (good for our image!)

I have given them the contacts for at least 6 other Rotary clubs in our area and BMDI is calling for volunteers from those also. (BMDI can man the booths at weekday meetings, but struggle on Saturdays)

The details are attached to his email. I will be at the YE conference on the 11th, but have volunteered for the 18th.

BMDI will have at least 2 representatives at our 21st celebration.

Can we have a call for volunteers at our next meeting?

## Fellowship Sundays

Rotarians in November our Club will once again be invited on a Sunday to hear and participate (or to observe) a service in Church led by Rev RAY McInnis. Ray a past member of our Club leads St Silius in Albert Park. JOHN Strong for further details. We will follow with a fellowship lunch after he service at a restaurant near by. Final details in next Bulletin.

The Club also thanks JOHN Strong and KAYE Strong for their hospitality last Sunday at their farm plus the night before. Thanks John and Kaye.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to [heubergd@anz.com](mailto:heubergd@anz.com) **Preferred deadline Friday 5pm..**
