Next Year's Rotary Theme:

The Future of Rotary Is In Your Hands

Terry McCrann our Business Person's Breakfast Speaker for 2009. The world's economy is the hot topic, who better to speak to us? 21 April 2009

History of District 9800

In February 1921 the Board of the International Association of Rotary Clubs authorised the establishment of Rotary Clubs in Australia and New Zealand. Melbourne became the first club in Australia to be chartered and Sydney soon followed. Brisbane and Adelaide were formed in 1923, Hobart a year later and Perth in 1926. Meanwhile, Rotary was being extended to provincial cities and large towns and by 1928 there were 17 Clubs in Australia.

For the purposes of administration, Rotary Clubs throughout the world are allocated into Districts. A Rotary District covers a number of clubs within a defined geographical area. Australia became District 65 in 1928. By the 75th anniversary of Rotary's arrival in Australia, there were 23 Districts with 1178 Clubs and some 42,000 Members. District 9800 was defined in 1990.

Last Week's Meeting:

We were able to view a presentation by Past World RI President Cliff Dochterman. It was all about Vocation. The great message is that through ethics and the four way test, Rotary was built via vocation and the opportunity to network through these practices. Service above self.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to heubergd@anz.com Preferred deadline Friday 5pm..

VISION  **ON** FACILITATION

The Rotary Club Vision Facilitation Program helps Rotary Clubs develop their own Visions and design planning and necessary steps to implement and achieve those visions.

This program is new to District 9800 but is sure to have a tremendous impact in helping Clubs.

While each Club around our District nominally conducts planning each year, The Rotary Club Vision Facilitation Program is aimed at making sure this planning is **effective**.

By providing trained facilitators experienced in Rotary together with a Club Vision Program that has been rolled out through Rotary internationally with great success, the framework aims to help clubs:

- Sustain and increase membership;
- Implement successful service projects;
- Support the Rotary Foundation;
- Develop leaders in the Club and beyond.

Additionally, the program will help Clubs form:

- Continuity of leadership, vision and process;
- Consistency in programming;
- Consensus, solidarity & unanimity in purpose and action.
