Rotary Club of Glen Eira

The Club wishes to thank the members to collected so well last Saturday at Koornang Road. Thanks again to Jan Hill for organizing.

Last Week's Activity

Last week our Club had an excellent presentation by Sally Orr and G Cormack of the now combined IDI Baker Institute. The presentation came with informative power point. It focused on fitness and particularly the strength exercises. With heart disease and the diabetes issues the message was about exercise, strengthening muscles and general well being. Lots of questions were enthusiastically asked. Our Club also thanked Sally as she attended our 21st Birthday celebrations.

The Sgt was at his merciless best the smartly (for him!) presented David with the chocolate prize. The Sgt attempted to bamboozle the audience but perhaps his best work was extracting fines from the stalwarts.

Coin collecting was also highlighted and this week we raised a further \$1300 odd dollars so with \$1600 previously raised so the Club is contributing to the assistance for bushfire needs. NB Rotary is attempting to combine these various funds to medium to long term projects.

We would like also to thank Joe and Sue Aarons for their contribution to Glen Eira RFC. They have resigned. We wish them both well in the future.
