TONIGHT'S SPECIAL GUEST

Peter Fink — Business of the Year 2008

District Conference — a sketch

Rotary International's Past World President Wilf Wilkinson was the special guest at District Conference in Launceston, Tasmania. Our Club was well represented and we thank Ian Marks on his sterling efforts as On To Conference facilitator. Features including presentations, an idealic setting in an old theatre style facility, (ok some rain, just a tad), great fellowship and glorious Tasmania on display. Next year Conference is off to Perth. The year after in Adelaide.

JOHN MICHAEL HOWSON

Hollywood expert will be our very special guest. Let's make it a big night. The Club thanks Syd Travitz for organizing this night.

LAST WEEK'S FELLOWSHIP MEETING

Last week our Club members were either in Tasmania, or having fellowship in a quiet meeting. Ian Marks briefed us on Conference plus he was thanked for On To Conference work. The Club noted the ad hoc Sgt who displayed certain abilities that the present erstwhile Sgt, one Geoffrey Asher esq could well do to learn from. A delicious meal, enjoyable chatter and genuine fellowship. A good night.
