SPEAKER'S PROGRAM

Just a quick up date on our Speaker's roster in the coming weeks. This is quite an exciting time and we are looking forward to seeing everyone come along. May I quickly thank Syd Travitz, Ron Sack and Geoff Asher on some excellent suggestions. I apologise if I have forgotten any one.

A quick note, as in the past the Club is mindful of trying to balance the roster and at times we may have a small wave of a certain type of speaker eg health issues. On this note we will on 14 April be addressed by Roger Coles on Prostate Cancer Awareness (he is an Ambassador for them). This issue is important as it does tackle some key health issues that impacts on our society plus we have a relationship with that Foundation (being a major recipient of funds from our breakfast last year).

- 31 March Andrew Asten** School 4 Schools (Oak Foundation)
7 April Yumi Stynes (entertainment expert / interviewer eg Kylie Minogue)
PARTNERS NIGHT and FAMILY NIGHT
14 April Roger Coles (ambassador Prostate Cancer Awareness)
21 April John Michael Howson (entertainment)
PARTNERS NIGHT joint cluster Club Night (Standard \$25 pp)
28 April Ray Rosen (power) (Ron Sack to Chair)
5 May Gabi McMullen (exchange student)

See you all on the nights as we look forward to good fellowship and any suggestions are more than welcome. We are trying to balance topics, ensure some Rotary focused speakers, community, and individual member's interests.

LAST WEEK'S speaker **Peter Fink** was extraordinary and our Club is thankful for President John's suggestion. NOTE: Lynne Landy also wishes to speak to us.

JOHN MICHAEL HOWSON

Tuesday 21 April 2009

6.30pm for 6.45pm

Partners Night, Family Night, Cluster Club Night

\$25 pp

Please note this meeting will be scheduled to finish more than likely past 8pm as we will have questions and good fun night. The Board has decided to have a "standard" meeting with \$25pp and one course. We will be inviting our Cluster Clubs and a partner's night.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to heubergd@anz.com **Preferred deadline Friday 5pm..**

LAST WEEK'S MEETING

Last Tuesday night, our Club listened with great intent to our Business of the Year winner (2008) Peter Fink. Peter spoke with fascinating excerpts of his time in the Federal Police, the Army and his general career.

It was one of our best ever speakers. Currently he runs his hairdressing business in Glenhuntly Road just near Hawthorn Road.

The Sgt At Arms returned from his sojourn in Tasmania and the grape gazing to ping many a member. Welcome back to all the Tasmanian conference attenders, we here you all had a great time. Next year's conference is in Perth and the year after it follows in Adelaide.

CLUB ACTIVITY

In recent weeks our Club has fund raised in our local shopping strips. Glen Huntly, Carnegie, Bentleigh were all part of our coin collecting and we have raised about \$6,500. Brilliant work with extra thanks to Jan Hill for organizing and being there for every moment of these days. Our funds will be sent to District's special account. (Adrian and John left)

CLUB NEWS

With sadness we announce the news and send our condolences to our past member and former Club President, Mark Fookes, on the passing of his mother. A number of our members attended the funeral. Our thoughts are with Mark at this time.

SAUSAGE SIZZLES — Racecourse SUNDAY 4 APRIL CAULFIELD RACECOURSE

\$2 a snag all funds to us and sausages supplied by the Melbourne Racing Club. They will be having a family day. Further details see David. Times will be about 11 am to 2pm in the center of the racecourse. It is a fun and fellowship day. See you all there.

EASTER SATURDAY

We will be conducting another sausage sizzle same location on this date. We will supply all the goodies this time. Please see Ian Marks for this fund raising day.
