PERFECT ATTENDANCE

Albert O Wilson

63 years in a row — WOW

The importance of attendance is vital for any active and thriving Rotary Club. Remember 50% attendance is mandatory (with 30/20 split of actual Club meetings / make ups) per half year. Our Club strongly supports this.

Extraordinary General Meeting 7 April 2009

Formal acceptance of President Nominee to be President for year 2010-2011. The Club will announce on correct nomination process and ratification by this meeting of the Rotarian to serve in this capacity. Note, should there be more than one nominee the process of Election would take place.

Agenda

- Announcement of nomination/s for President Nominee
- Declaration of President Nominee / Procedure of Election

Lee extolled Wilson for his commitment to Rotary and shining example to all other Rotarians. Wilson joined rotary September 21, 1944, and has maintained his 63 years of perfect attendance since joining by attending either weekly meetings at the Cambridge Club or through make-ups at Rotary clubs around the world. LAST WEEK'S MEETING

Last Tuesday night, our meeting heard Andrew Asten from Oak Tree Foundation in the schools for schools project. Part of this work had a South African dimension which tied up nicely with our Chair for the night, Ron Sack.

It was an interesting discussion and considering Andrew is 21 it augurs well for the future. Young citizens contributing with community as their focus.

The Club also spelt out the few days we have coming up with the racecourse, including a bigger BBQ style day on Easter Saturday. Please see Ian Marks for further details.

Also there was a guest Sgt who handed Sam Binstock the chocolate award for being the best "child" in class.

The Club also conveyed good wishes and support to **Geoff Asher** whose mum is ill — our thoughts and prayers are with you Geoff. **The Club** also conveyed good wishes and support to **Jeff Nirens** as his wife is ill at the moment. Our thoughts and prayers are also with you.

THE OTHER CLUB NEWS : Sausages on Sunday

On Sunday our Club had a strong turnout for a sausage sizzle at Caulfield Racecourse. This combined with their Kids Fishing Day (there is a lake there filled with fish) and Riding For the Disabled. The weather was a little gloomy and attendance was moderate but we snagged some funds and cooked sausages and had good fellowship. The Club had indicated that they wish to also contribute some funds our way. Thanks to the many members who assisted us.

SAUSAGE SIZZLES — Racecourse EASTER SATURDAY 11 April

The Club has been given a front lawn space at Caulfield Racecourse where we aim to raise some funds. This WILL BE during a RACE MEETING so the passing traffic will be quite considerable. It is an excellent opportunity to cement our ongoing relationship with the Melbourne Racing Club. We aim to charge about \$2 or \$3 per snag. Car parking will be available at Kambrook Road entrance. Details Ian Marks and during our Club meeting.
