THIS WEEK:

Club Focus and Rotary Focus:

Some News Exchange Student: Introducing **Julius Reisch** from Germany. Julius is currently being hosted by the Rotary Clubs of Glen Eira & Melbourne. We will share the experience. More news to follow.

Golfers be warned as Julius plays off TWO !

Since the PolioPlus program's inception in 1985, more than two billion children have received oral polio vaccine. But Rotary's work is not done: The disease has not yet been eradicated. Contribute to the PolioPlus Fund online or by mail to support Rotary's dream of a polio-free world.

As of June 2007, Rotary had committed nearly US\$620 million to global polio eradication. Each year, it spends about \$33 million toward the effort.

CLUB FORUM The aims of tonight forum is to indicate the Club's direction during this Rotary Year and to map out the projects and tasks of our Club. It is imperative we have a strong turnout as the Club is based on the strength of its participation. Plus we have the added bonus of fellowship on this night. The Rotary theme this year is: ***The Future Of Rotary Is In Your Hands***. Likewise the future of our Club is in your hands. Looking forward to seeing everyone join President Sam on our special night together.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to heubergd@anz.com **Preferred deadline Friday 5pm..**

Last Week's meeting:

The Club had a most enjoyable meeting last week. Firstly President Sam kept the Sgt in tow as Max was light on for fines. Those Sgts!

Our guest speaker was Danny Schwarz who deals with Youth Connect an organization reaching out to youth within the Bayside Area. Danny knew Sam's family background, and went to school with Jack's son Jeffrey. It was interesting to hear of those and other such connections.

Danny's organization taps into troubled youth and then mentors them in work and being involved in the workforce. As the organization's name suggests, it connects to youth and then back to the community. Danny was a former McKinnon High student and has long term local roots.

Geoff Asher brought the Club up to speed on the newest exchange student (see opposite page). We will be "sharing" Julius Reisch with Melbourne. Geoff greeted Julius at the airport. Club Forum this week!
