Tupperware
Coins make cents**

Rotary Foundation benefiting from Tupperware at the Nelsons.

Club members and friends enjoyed a tupperware night Thursday last

Tupperware for Foundation

Members, their spouses and friends attended a special Tupperware party hosted by Louise and Adrian Nelson to raise funds for the Rotary Foundation. Jack Dimand showed off his tupperware knowledge winning the quiz by knowing that Germany is the biggest consumer of tupperware and that Earl Tupper was the inventor. President Sam Binstock didn't fare so well in the quiz but made up for it with an outstanding cooking demonstration making chocolate truffles for everyone. The men loved the features of the products and the ladies liked the benefits. Over \$100 was raised in a fun night of fellowship for all.

Coins make cents

The Club continued its fine tradition of collecting coins at Caulfield Racecourse on Saturday. The funds will be directed to cancer related charity. This was particularly pertinent as Caulfield had their flags at half mast due to the recent death of a prominent horse trainer's wife who was very much part of the racecourse family and fabric.

Thank you to all and an announcement will be made of the amount of funds collected shortly. Coins really do make sense.

FELLOWSHIP: Sunday September 6 for 6.30pm

Members: A Film Night is being organized by Marilyn Faiman at
Classic Elsternwick just off Glenhuntly Road.
The film to be shown is **The Soloist.**

\$20 per person

Marilyn will also gladly accept any assistance preparing some supper items, please liaise with her for this. We are aiming for 50 plus in attendance so this plans to be a fine fellowship evening and a good way to complete a weekend. FUNDS from this will go towards RYLAH student we plan to send to RYLAH getaway. **Thank you Marilyn.** Tickets also from **JACK DIMAND.**

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to heubergd@anz.com **Preferred deadline Friday 5pm..**

This Week and Last Week's meeting:

Our Speaker this week (1 September)

Zev Fishman is a speaker on a mission as he addresses our Youth Citizen of the Year Awardees with an inspirational challenge on overcoming obstacles. Born with haemophilia, a genetic disorder, he will be telling us how it has impacted on his life and how he has succeeded in making his way.

Our Speaker last week (25 August)

Harry Plafedelis was thrown to the wolves, without the input promised when dobbed in by management. But he was a comforting and familiar face, well-known to us all so it was a meeting of friends.

Since we meet at the London Tavern every week, this was the time to hear a bit more about the bigger picture of its operation. Although turning out to be a Q & A it worked out well. We now have a far better understanding of a poker machine driven industry and its need to develop a name for 'pub food' to survive. The imminent complex government-driven changes in store suggest that perhaps we should give buying a pub a miss. We are lucky we meet at a 'family' pub, where violence and trouble is at a minimum but always in mind. Thanks Harry. (G Oscar)

Other Club News:

- Birthday lady Jan Hill celebrated last week
- The Club Raffle via Sgt Max was won by Sam (who else?)
- Larry has been sending his blog or blogging his trip.
- The recent tupperware night was a well attended fellowship night.
- Thank you to JEFF NIRENS on obtaining printing donations from Snap Printing for our Annual Business Person's Breakfast.
- Geoff Asher has been very busy with Julius our exchange student.
- Remember it's a partners and friends night on September 15 when we have a magician perform for us. A later night is expected.

This is **NOT** the Editor though there is a touch of familiarity with someone that the Editor can not recall? Werner Klemperer was the son of famous musician Otto Klemperer. He won two Emmy awards for his Col Klink.
