MAGIC AT ROTARY

next week...

Just a reminder that on Tuesday week (15 September) we have a **fabulous magician** to enthrall us.

Remember the John Michael Howson night - this promises to be just as good. Please bring your partner, children, friends and prospective members. We will be going overtime on this occasion. Please let me know how many guests you are bringing, so that we can let the London Tavern know for catering purposes.

Sol (our magician) is committee member of the **Australian Society of Magicians**, Australia's largest and oldest club. Kurt Langfelder Kurt will be our esteemed Chairman or Ring Leader for the night.

The Soloist

FELLOWSHIP: Sunday September 6

Members enjoyed a wonderful night at the pictures watching *The Soloist*. Over 50 tickets went with massive thanks for being organized by Marilyn Faiman. We also thank Jack Dimand for his great efforts as well. Plus all the supper assistants. It was a fun night. How do these nights work? First excellent efforts by members like Marilyn and Jack with Keith and then a fine film at:

Classic Elsternwick just off Glenhuntly Road.

FUNDS raised from this will go towards RYLA for a student we plan to send to RYLA getaway. Well done all. Anyone for Quentin Tarantino? Maybe not your average cup of tea?

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to heubergd@anz.com Preferred deadline Friday 5pm..

Last Week This Week:

Our Speaker this week (8 September)

John Mountford graduated LLB from the University of Tasmania in 1985, was admitted to the Bar in 1987. John has been a general legal practitioner for 22 years with Estate Planning and Wills always being a part of his practice. He is Senior Solicitor - Commercial with Efron and Associates.

He is assisted tonight by Stephanie Sacco who graduated LLB Hons in 2007, completed her articles with Efron and Associates in 2008 and was admitted to the Bar earlier this year.

Our Speaker last week (1 September)

Our Speaker last week was Zev Fishman together with our Youth Citizen Awards. After listening to Zev Fishman last week none of us should ever complain again about minor setbacks. As he went on, it was hard to imagine whatever medical challenge could occur next, all arising from his birth with genetically inherited haemophilia.

The tragedy is that in this day and age, many of his battles could have been avoided. Let us never again talk about wonky knees or arthritic ankles. We can only hope his new waterproof prosthetic leg enables him to swim.

At a night celebrating inspirational young people, we had our own adult inspiration. (G Oscar)

The meeting also announced \$900+ from coins collecting at Caulfield Racecourse. Thank you to all participants.

This is **NOT** the Editor although there is some resemblance to a recent edition of *Rotary Downunder*? Could this be, no it surely can't be a any member who is up to the mark on swinging into puns... ?
