What's Ahead**

PDG Judy Nettleton in doing what she does best. Unsung work for the greater good. Rotary in action!

## THIS WEEK - LAST WEEK

### Our Speaker last week (29 September - Jim Begg)

Jim Begg told us all about training German Shepherds and judging obedience, relating it to all breeds of dogs. He's had plenty of practice - his current dog Flick is a beautiful animal. As an aside, there is no such breed as an Alsatian. In WW2, the Brits would have nothing of anything German, so renamed the breed, probably after the region Alsace.

We heard of Jim's illustrious business career, his flying. He failed to mention his role on the Royal Brighton Yacht Club's rescue boat, picking up distressed sailors in trouble. Lots of good things in his life. (*G Oscar*)

### This Week's Guest Speaker (6 October)

Judy Nettelton is a Past District Governor of our very own District. Judy has achieved so much in Rotary including to name a few matters: The Great Bike Race, Rotary Health work and a myriad of positions and works within Rotary. Judy has also been involved in her own business and a little bird says she can or is learning to fly a plane? Tonight she is our guest on *Unsung Hero Night*.

## The latest information from ShelterBox

**Samoa:** A logistic planning team is already on the ground and it is planned that 500 ShelterBoxes will be moved in to assist in providing relief.

**The Philippines:** A logistic planning team is already in country and the plan is to move between 200 to 500 ShelterBoxes into that country.

**Indonesia:** A logistic team is on standby, access is currently blocked, the airport is closed. Information from Rotarians in the damaged area is that upwards to 1000 ShelterBoxes maybe called for. (We have requested that we be given the ability to ‘piggy-back’ on any Defence/AusAID, flights into the stricken area.)

**Vietnam:** A major area of focus, the coming week-end could be breaking point for that country and assistance may be required.

ShelterBox is a unique and meaningful way Rotary contributes to the greater human community. It is especially comforting after the recent human tragedy in our Pacific neighbourhood.

## 20 Answers to the ? Why Join Rotary

In a rolling series, we will explore 20 reasons why joining Rotary and seeking new members is a core function of a successful and fulfilling Rotary and Club experience. The next two of 20.

**3. Personal Growth and Development:** Membership in Rotary continues one's growth and education in human relations and personal development.
