CLUB NEWS and Activities

Last week's meeting (27 October)

Prior to immersing herself in the practice and philosophy of Traditional Chinese Medicine, **Dr. Mun-Yee Chik** had worked for a number of years in the pharmaceutical and clinical research industry. As such, she recognises both the benefits and the limitations of modern medicine. She also understands that while it is important to adhere to the essence and principles of TCM, the practice of healing cannot operate in isolation without considering the complex western environment in which we live. Therefore Dr. Chik believes in an integrative approach to healthcare and wellbeing, combining classical Chinese Medicine with an evidence-based Western orientation to her treatment. She is also a passionate advocate of the TCM tenets of preventative health - diet & nutrition, lifestyle, exercise, emotional and mental wellbeing.

Dr. Chik has special interests in stress management, musculoskeletal disorders, IVF & fertility support,, women's health as well as aging-related conditions.

Yooralla Cricket Legends Lunch in the Members Dining room at the MCG on Friday 13 November (12-00 noon start).

Speakers are **Sir Richard Hadlee and Kerry O'Keefe**. Great afternoon for charity - **\$160 per head. See Geoff Asher asap"**

FOUNDATION: a Rotary example of Doing Good In the World

To a young set of parents in Afghanistan, it was a life-saving immunization for their five-month-old son. To a woman with seven children in Malaysia, it was a loan to start a sewing business that enabled her to feed her children. To North Koreans, it was an ambulance that equipped a hospital to be able to take care of them. To thousands of college students in almost every country on earth, it was the chance to study abroad, with all expenses paid, and learn their educational specialty up close and personal. Ask anyone who has been touched by The Rotary Foundation what it is and every answer will be different. Ask anyone who has been touched by The Rotary Foundation just how important it is, and every answer will be identical. The Rotary Foundation was born as an endowment fund in 1917, the brainchild of RI President Arch C. Klumph. It was reborn 12 years later in the form we know today, The Rotary Foundation of Rotary international. However, it wouldn't be until after the passing of Paul P. Harris in 1947 that TRF would reach the financial health and world importance that it enjoys today. Technically speaking, it is a not-for-profit corporation that supports the efforts of Rotary International to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world. Its expenses are born solely by the interest earned on its contributions over a three year period. As an endowment fund for Rotary "to do good in the world," its initial contribution was US\$26.50 in 1918. When it became The Rotary Foundation in 1928, it had a value of US\$5,739.07. In the most recent year that we have complete figures, the Foundation had more than US\$73 million contributed in 2000-01. But, that's not what The Rotary Foundation is all about. Its event-filled 85 years has been a story of Rotarians learning the value of service to humanity, and the citizens of the earth benefiting from that service. The Humanitarian Programs of the foundation help fuel international Rotary projects to improve the quality of life, providing health care, clean water, food, education, and other essential needs primarily in the developing world. The Rotary Club of Glen Eira works hard at raising funds for the Rotary Foundation to continue the magnificent humanitarian works done across the globe.

20 Answers to the ? Why Join Rotary (the next two reasons)

7. Fun: Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.

8. Public Speaking Skills: Many individuals who joined Rotary were afraid to speak in public. Rotary develops confidence and skill in public communication and the opportunity to practice and perfect these skills.

Annual CHURCH SERVICE and Lunch:

Jambo everyone,(Swahili for G'Day) the Strongs are back in town. Since back I have arranged with Father Ray for those who are interested to attend his morning service on Sunday December 9 at 9.30am. Afterwards we can go for a Yum Cha at Cafe Saigon (B114 in entertainment book) same as last year, If you cant make the church service why dont you join us for the Yum Cha. Put it in your diaries, and contact John Strong, more details to follow.
