## CLUB NEWS and Activities

### Last week's meeting (December 1)

We were privileged to have returning to us and as a guest speaker former exchange student and now University student (on ophthalmology) Laura Deinama. Laura spoke on her chosen discipline and Club was delighted to hear from her and she was especially well received as the Club has enjoyed watching her progress. Laura is a wonderful ambassador for youth exchange and why our Club has a long term history and investment in this program.

### This week's Guest:

The Club has its trivia night in anticipation for the ALL cluster clubs joint trivia night in the new year. Our Club is the holder of the trophy as reigning champion Club.

**Other Club News: No meetings held on December 29 or January 5. Our Annual Christmas Address, and BBQ, with Ray McInnes is December 22, don't miss this one—all partners, guests welcome.**

The Club thanks John Strong on a delightful Sunday morning at Anglican Parish of the Parks followed by Lunch. The church was at St. Silas and St. Anselm, 384 Ferrars St, Albert Park with the service conducted by our great friend, the Vicar, Archdeacon Ray McInnes. A delicious lunch followed at Cafe Saigon which is close by on Victoria St, Albert Park. It was a well attended event where all members and friends enjoyed the service, the sermon and then the Yum Cha that followed. Once again a big thanks to John Strong for organizing this anticipated event.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to [heubergd@anz.com](mailto:heubergd@anz.com) Preferred deadline Friday 5pm..

## FRIENDS OF THE ROTARY CLUB OF GLEN EIRA

The Rotary Club of Glen Eira is delighted to launch the Friends of the Rotary Club of Glen Eira!

We recognise that some people don't have the time or commitment to be a member of a Rotary Club but still want to help others. People have busy lives and busy schedules, but would still like to be involved and help where they can. By being a Friend of the Rotary Club of Glen Eira, you can use your time and talents to help others but not be restricted by the obligations of being a Rotarian. Your family can also join in our activities.

This is a way for you to contribute to the community and to make a difference. Help at a Garden Working Bee at a local hospital, assist with Race Day Sausage Sizzles at Caulfield Racecourse to raise funds for local projects, or help us with the global eradication of polio.

Download our Flyer, off the Club website, for more information and to register your interest.

**We'd love you to be involved in all the good work we do.**

### 20 Answers to the ? Why Join Rotary (the next two reasons)

13. **Family Programs:** Rotary provides one of the world's largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

14. **Vocational Skills:** Every Rotarian is expected to take part in the growth and development of his or her own profession or vocation; to serve on committees and to teach youth about one's job or vocation. Rotary helps to make one a better doctor, lawyer, teacher, etc.

This is ***NOT*** the Editor, indeed it is not our esteemed Paul Harris Fellow with sapphire either. DAVID NETTELBECK has been an outstanding contributor to our Club over the years as has the New York Mayor (to New York) Rudy Giuliani. For a while there it may have been President Nettelbeck all over again.
