Our Speaker this week (2 February 2010 Julius Reisch)

Our Exchange Student Julius Reisch is well placed to be our World Understanding Week speaker. A few reminders: He comes from the small town of Schwendi in Germany, near the city of Ulm (near Munich). His parents Elmar and Ursula manage a 37 room hotel, Elmar is a Rotarian.

His favourite subjects at school are world history, English and sport – he aspires to join the hospitality industry which befits his interests of cooking, playing the saxophone and of course golf (at which he is a star!) His English was always good but tonight he has the floor – should be very interesting.

Our Speaker last meeting: Geoff Sussman OAM

Geoff displayed why he is an associate professor, internationally celebrated practitioner and international authority on wounds and skin repair. His masterly performance backed up with a telling Powerpoint presentation had us recognizing the research-based new concepts of skin care and recovery. It's time to throw out the old first aid kits and get with the modern products that are such an improvement. He has promised to circulate a summary of his recommendations. Well done Geoff, great stuff! (right: Geoff Sussman in action)

Korean Night: Dear Rotarians all, On **Wed 24 Feb Jo Jo** has invited us to join her at her favourite restaurant **Takumi** in **Bourke St.** in the city It serves Korean food specialising in Wagu beef. They have a fixed price menu for **\$48 per person** plus drinks. If you have enjoyed Jo Jo's cooking of Korean food this is a night not to be missed. To confirm numbers for our booking please advise me if you can come.

Race Day wins \$1.7 k + for Haiti Relief

We had a very successful collection at Caulfield Racecourse recently and raised \$1,777-15 for the Haiti Disaster Relief. An energetic team of Glen Eira Rotarians 'shook buckets' at the Melbourne Racing Club's Australia Day meeting at Caulfield on Tuesday 26 January. We collected an amazing \$1,777-15 (plus a coin from NZ and a fly button!!) from the very generous patrons. This team was Yoshiko Stynes, Max Sherlock and the four 'Geoffkoteers' - Geoff Sussman, Geoff Oscar, Jeff Nirens and Geoff Asher. As the funds have been dedicated to Haiti Relief, we had a Shelterbox on display and this drew a lot of interest. Our Club has congratulated the Melbourne Racing Club on running such a community friendly day and for its continued support of our Rotary program." The Club has been invited, by the Racing Club to run the BBQ on the lawn during the C.F.Orr Stakes meeting at Caulfield on Saturday 6 February and that ALL members are requested to volunteer to help for an hour or so between 12 and 4pm. The MRC will also be promoting the participation of the RC of Glen Eira and will prominently display our logo. This is a great chance to show the community just what we can do (and canvas for new members!)

SHELTER BOX

The pictures on left and right are actual Shelter Boxes used in Haiti after their tragic earthquake. Our Club's been a great advocate of this Rotary initiative.

RACE DAY Sausage Sizzle This Saturday!

12-4pm

CF Orr Stakes Day CAULFIELD RACECOURSE
We will be prominently advertised by the Club
We will sell snags on the lawn
WE WANT everyone's input (details: G Asher)

This is **NOT** the Editor. There has long been thought that another Geoff was the longest serving Rotarian in our Club, but this appears not so. We have discovered that a different Jeff has actually been a long time Rotarian tracing steps to Chicago in the guise of piano and organ seller Al White. The secret is out, because surely this Jeff is Al... or is he just trying to sell pianos and entertain?
