Friends

Busy people. Busy lives.

Be a part of your community by becoming a Friend of the Rotary Club of Glen Eira.

Join us in our community projects. Enjoy our fundraising and social events. Make a difference.

We understand busy people have busy lives. Contribute when you can. You can also be a Corporate Friend.

Who are the Friends of the Rotary Club of Glen Eira?

We recognise that some people don't have the time or commitment to be a member of a Rotary Club but still want to help others. People have busy lives and busy schedules, but would still like to be involved and help where they can. By being a Friend of the Rotary Club of Glen Eira, you can use your time and talents to help others but not be restricted by the obligations of being a Rotarian. Your family can also join in our activities.

How can I help?

Whatever way you can. Let us know what you are good at, and we will find ways for you to be involved. We want our Friends to join us as volunteers for our many service and fundraising activities. Connect us to people you know who can help.

We'd love you to come along to some of our social events as well. Did you know that the Rotary Club of Glen Eira presents its Youth of the Year Award to a local young person in our community?

Corporate Friends

As a Corporate Friend of the Rotary Club of Glen Eira, your business or organisation can be involved with one of the leading service clubs in your local community. You may be able to provide assistance "in kind" or advice about our various initiatives. Either way, you will be linked with a group of like-minded people wanting to do good in the world.

What are my obligations?

None really, we just want to invite people to be included in all the good work we do. We will e-mail you all our latest news and fundraising activities. You are welcome to join in and help at any time you can. You can renew your status as a Friend of the RC of Glen Eira annually.

Friends are welcome to join us to hear our topical weekly guest speaker every Tuesday.

What do I do next?

Download the flyer from our internet site for more information and to register your interest.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to heubergd@anz.com Preferred deadline Friday 5pm..

THIS WEEK LAST WEEK

Our Speaker this week (13 April) Brodie Goozee

Brodie will be a surprise packet! He'll tell us why. What we do know is that he is on the Rotary Club trail, with an appearance at RC Camberwell. He's in marketing and advertising, owner of Con-Firm, into digital publishing including photo books. And he's a keen sailor at the Mornington Sailing Club. Other than that Chairman Ian Marks and Goozee will reveal all as we "extract the digit".

Our guests last week (6 April) Geoff Oscar and Jeff Nirens

The new month of April ushered in Rotary's emphasis on the magazine and the role it plays for Rotary world wide. In this vein the great Geoff's of our Club (including the J "Geoff") took the club through a potted history (using a quiz and chocolate) of the magazine. Geoff and Jeff also brought in many editions of the magazine. One KEY POINT mentioned is for club members to consider taking their old Club Magazines and leaving them in Doctor waiting rooms or other waiting rooms that use magazines. For our club *the Gen* (this is what you are reading right now) acts as our official Club magazine.

Magazines offer a unique way of expressing Rotary via the ridded word and picture uniformly throughout the world. In other words (pun intended) what you read in the magazine is universal and each person sees the same words. How, they interpret these words is another matter.

The humble magazine plays a unique role. Read and enjoy.

This is **NOT** the Editor, and our attention now resides with a closer inspection of our latest doctor? The exactness and meticulousness of both fellows leads to the inevitable conclusion that these are one in the same persons? And how did the choice of the nom de plume of "Preston" come about? Carlton's reserve team plays under the Preston banner. We have now unveiled this attempt at bulk billing, err, we mean bulk characters.
