An information session will be held to highlight the issue of binge drinking in older adulthood and provide knowledge and education of this increasing problem.

Topics covered include:

- What is binge drinking and how much is too much?
- What is a standard drink?
- The effects of your drinking on your family and friends; and
- Drinking and your health.

This is a free information session for all members of the community.

THIS WEEK LAST WEEK

Our Speaker last week (20 April) Garry Fabian

It was good to have one of our own again! Garry Fabian is our cultural attaché, he of the quiet and measured mien, our literary icon, excellent Rotarian and writer/historian/philosopher. Last week he told us about another phase of his life, that of support for a worthy social program that we need to hear about. We find out how 'One Person Can Make a Difference' Remember it is interesting reading this (before it happened).

Our Speaker this week – Past District Governor John Davis

PDG John Davis was our District Governor in the year 2007—2008. He visited our Club on quite a few occasions that we almost made him an honorary member. John's year saw him don the Green coat colours of Rotary International for that year. Hence, this Bulletin recalls the green with green writing.

John addressed our Club as the District Governor on 30 October 2007 introduced by our founding President Geoff Oscar. He subsequently visited us on 10 November (a Saturday night) for our 20th Birthday celebration. John also was an honoured guest at our signature event The Business Person's Breakfast in his year where he toasted Rotary International.

John has been a long time servant of Rotary and his first foray into Rotary was via a Group Study Exchange to Nebraska USA. It came full circle with his DG year sending a Group Exchange back to Nebraska. John has been the prime example of what being a Rotarian is all about, Service Above Self. Tonight John speaks about the Rotary Foundation Vision. John is married to Joan.

This is ***NOT*** the Editor, but take off the glasses and lo and behold there is a striking resemblance to famed 4 time Melbourne Cup winning trainer James Scobie and our esteemed Rotarian, the Kurt man, Mr Langfelder.
