Cashier/s	John Strong	Marilyn Faiman Enid Oscar	PE Jan Hill	-

CAMBERWELL ROTARY ART SHOW AT CAULFIELD RACECOURSE

We have seized the opportunity to be associated with this prestigious event, benefitting from the Rotary Club of Camberwell's expertise, sharing the excitement and making money at the same time. Now we have to earn our place. This is the time we can involve ourselves, our families and friends.

Joint Convenors Geoff Asher and Kurt Langfelder have emailed everyone with the list of volunteers needed, on the respective dates from 27th to 31st May.

As well as that we are sending a small team to the Briefing Session on 12th May and we are having our special meeting at the Racecourse on 25th May.

This is the second major event we wanted in our Rotary Year. If we do it well, we can be part of it for the years ahead.

So, let's accept the challenge, rope in as many family and friends as we can and enjoy the experience.

THE GEN

Bulletin

Rotary Club of Glen Eira Inc

4 May 2010 - Rotary Health Research Month

www.rotarygleneira.com.au

Meets at London Tavern, 414 Hawthorn Road, Caulfield

We meet at 6.30pm for 6.45pm each Tuesday evening

THIS IS IMPORTANT!

Despite the best laid plans of mice and men we do not have Prof Miles Prince with us this next week as advised, due to another unforeseen and unavoidable commitment. However, he will be with us on June 1st in what will be a special partners night. Put that date in your diaries now.

What we do have now as a feature of the year is LADIES NIGHT next Tuesday. With Joyce Binstock as President for the Night, we have a star-packed field including, just for starters, Jan Hill, Coryl Asher, Louise Nelson, Patsy Marks, Sheryl Furman, Evelyn Fabian, Enid Oscar, Yoshico Stynes, Marilyn Faiman plus whoever else can come, filling all normal tasks plus some new ones. The girls are itching to show us how it's done!

Other important dates

Sunday 16th May - District Assembly at Melbourne Grammar School. 8am for 9am start, all finished by 1pm. We have to register by 7th May. Support incoming President Jan by attending if she asks you

Wednesday 12th May to Monday 31 May – Rotary Art Show commitments—see main report

Tuesday 6th July Rotary Club of Glen Eira Changeover

IT'S AUSTRALIAN ROTARY HEALTH RESEARCH MONTH IN MAY

Remember, we celebrate it on 1 June with Prof Miles Prince and his Multiple Myeloma Research

VICTORY IS OURS!

Yes, we are still the Trivia Champions of the Bay-side Cluster. The (Paul) Harris table annihilated Brighton North and Brighton Beach. Such is our reputation that Brighton, Caulfield and Elsternwick Clubs were too terrified to put in an appearance. If only we had had David Heuberger back from Thailand, we would have won outright. But it was in the Rotary spirit to let the Bethlehem Carpetbaggers do that, even if their victory is being challenged at VCAT

by the Mayor's table, who were, quite simply, robbed blind by the Quizmaster. He then went on to publicly shame their bribe!

After the dénouement by Acting Sergeant at Arms Larry Blode last week regarding the poignant insertion by A.N. amongst the tributes to the departed Carl Williams, the Quizmaster will now need a bodyguard, such is the extent of Glen Eira Council outrage.

The Trivia Night was a great success. All Geoff Asher and his team's hard work paid off. Net proceeds will be in the order of \$3000. Adrian Nelson displayed all his skills as Quizmaster, having put in hours of preparatory work (Who dreamt up that if you sailed West from Cape Horn where would you make your first landfall? Some of us knew it was a trick question but didn't have the guts to stick by the obvious answer (Cape Horn))

Assistant Governor Mike McFarlane officiated admirably as MC for the night, then, with Sali's assistance, contributed to Harris table's success. Now all we have to do is run it again next year!!?

A certain little girl, when asked her name, would reply, "I'm Mr. Sugarbrown's daughter." Her mother told her this was wrong, she must say, "I'm Janey Sugarbrown." The Vicar spoke to her in Sunday school and said, "Aren't you Mr. Sugarbrown's daughter?" With her mother standing just a few feet away, the little girl replied, "I thought I was, but Mu

OUR SPEAKER LAST WEEK - PDG JOHN DAVIS

THE NEW ROTARY FOUNDATION VISION

"Being everything to everyone has left the Foundation struggling to realize its mission. The new structure allows us to build on our strengths and realize more sustainable outcomes."

Robert S. Scott, 2007-08 Rotary Foundation Trustee Chair

'The Foundation has made only slight modifications to its programs since its inception and the Trustees sought input from a wide variety of stakeholders through interviews, surveys, focus groups, and input sessions in developing the Future Vision Plan. The plan updates the Foundation's mission and creates a more effective and efficient way to help Rotarians develop diverse projects with greater impact and sustainable outcomes.'

District 9800 joins Districts 9500 (parts of NT, Sth Aust), 9550 (parts of NT, Q'land, Democratic Republic of Timor Leste), and 9600 (parts of Q'land, PNG and Solomon Islands) as the only Australian Pilot Districts.

An overview is available online—Google Rotary Foundation Vision Pilot

2007-2008 PDG John Davis (RC Footscray) is currently Vice-Chairman of the D9800 Foundation, will be Chairman at Change-over. With a distinguished career in the whitegoods industry he has brought his talents to Rotary over 34 years. He has been District Trainer for Presidents 2010-2011. With DGE Iven he attended the Future Vision Training Program In San Diego in January this year. He is pictured with the GSE Team he led to Iowa & Nebraska

Our Speaker this week. PP Ian Marks is a guru in the electricity industry. Chairman Geoff Asher will reveal all his past. Ian has kindly stepped into the breach to cover the postponement of our visit by Prof Miles Prince.. This will be the opportunity to learn the inner secrets of the industry.

Our Speaker next week: As one of the many star attractions of Ladies Night, Louise Nelson (just as bright as 'you know who') is going to fill us in on aspects of the 2010 version of the Red Cross.
