# Monster Trivia Night

We have raised about \$4000 for Bethlehem Hospital at our Monster Trivia Night. Over 150 people attended the blockbuster at Glen Eira Town Hall, including representatives from other clubs in our Beachside Cluster, and several councillors of the City of Glen Eira, including Mayor Steven Tang.

The night was won in controversial style by the "Bethlehem Carpetbaggers" in a 3-way tie breaker question, following the five rounds. Earlier in the evening, one of the Councillors (not the mayor, it must be said) was spotted using his iPhone under the table. Their table was duly docked points and brought back to the field.

In the end, it was all for a good cause and we had lots of fun. Raffle prizes included a BlueRay DVD player from the Good Guys in Brighton, A-Reserve theatre tickets to the Melbourne Theatre Company, and dinner at the Mediterranean Greek Tavern in Elsternwick.

A Friend of the Rotary Club of Glen Eira, Fiona Beer, supported the night by baking some delicious cupcakes and cookies for auction on the night. In a great result, nearly \$150 were raised from the cakes along. Thank you Fee!

## This week and Last week

The Editor is back in Australia! We will do a re-cap of last week's speaker and some previous week's highlights in the next Bulletin. The Editor apologises for the delay on last week's speaker précis.

### Representatives at the 2010 Council on Legislation approved an enactment 28 April to add a fifth Avenue of Service: New Generations

After adopting an amendment to change the name from Youth Service, as originally proposed, to New Generations, the Council narrowly supported the addition to article 5 of the Standard Rotary Club Constitution. The 263-250 vote was received by surprised gasps and applause after a short debate. New Generations joins Club Service, Vocational Service, Community Service, and International Service as the foundation of club activity. Before starting a project, Rotarians are asked to think broadly about how their club and its members could contribute within each avenue.

"It's a significant change – a historic day in Rotary," said Council Chair Mark Daniel Maloney. "Rotarians have always strongly supported youth activities even though they were never part of the four Avenues of Service. I think this strengthens our commitment."

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding. Representative Ronald P. Sekkel, of District 5170 (California, USA), proposed the enactment by saying that New Generations is the future of Rotary.

Opponents argued that youth services are already covered by the four Avenues of Service. One representative said that adding a fifth avenue could decrease emphasis on the other four avenues. Representative Emile M. Rijcken, of District 1900 (Germany), said the new avenue is well deserved. "The volume of activity in youth programs shows how strong Rotary can be," she said. "The addition of New Generations to the Avenues of Service will contribute in an enormous way toward public opinion."

This is **NOT** the Editor, but finally after a big night on the red carpet and winning a gold logie our favourite Rotarian has finally revealed his true calling and nom de plume. The strong man has gone "flamin' strewth" for 22 years as Alf Stewart portrayed by Ray Meagher. A strong performance in Rotary and acting for so long?
