Meets at: London Tavern, **414 Hawthorn Road, Caulfield**

We Meet at 6.30pm for 6.45pm each Tuesday evening

The Ladies of Rotary Club Glen Eira

TONIGHT

A Night NOT to be missed

CAMBERWELL ART SHOW—Caulfield Racecourse Our Club's Involvement

As you are aware our club has a wonderful opportunity to raise funds for our charitable work by assisting the Rotary Club of Camberwell during their annual Art Show to be held at the Caulfield Racecourse. Camberwell Rotary requires help during and after the Art Show. The work is guaranteed not to be arduous and each session lasts between three and four hours. We will require help from the 27th until after closure of the show with dismantling on the 31st of May. We would welcome assistance from our partners, adult children, students or relations that may want to help. Our club will be remunerated for each person helping on a per session basis. Therefore the more people we can get to help the more money we will be able to raise for our club. We firmly believe that we can raise at least as much as we did for the Business Persons' Breakfast; so that these two events will form the basis of our annual fund-raising. Your help is essential; the help of others that you may know would be very useful. We count on all members to give of their time during the Camberwell Rotary Art Show.

The following table shows the dates, times, number of volunteers required for each session.

DATETIME VOLUNTEERS REQUIRED

Thursday 27 to Sunday 30 and Monday 31 (Dismantling) 8-00 to 12-00 noon

Please indicate which sessions you will be able to assist and names etc of partners, friends, children, students who are also willing to help. We would prefer email to either klang@bigpond.net.au or gasher@optusnet.com.au Kurt Langfelder and Geoff Asher

Ladies Night is a fun night and will certainly go past the 8 PM, we have built as many individuals in as possible. The case and any impatience will incur the wrath of the Sergeant-at-Arms! **CORYL ASHER RETURNS!!!!**

A Night Not to be missed

Partners and friends night

Last Week and This Week

Last Week: Ian Marks

Ian spoke on how electricity and your bill for that utility works. He demonstrated his breadth of knowledge in this subject. Interestingly, the actual companies sending our bills make a very small margin on our electric accounts. Ian also explained the breakdowns in the percentage of our total bills. A fascinating discourse. Questions were also taken from the floor. There was no shocking revelations, and Ian had his finger on the pulse (all puns intended).

This Week: The Ladies of Rotary Club Glen Eira

Tonight we are expected to nicely pass the traditional 8pm finish but as we have a treat for you, no body should mind.

The ladies take over with President Joyce Binstock (Sam) amply showing President Sam how it is done. Raffles by Yoshiko Stynes (the great chef of Circle on Channel 10). Toasts by Rena Leske (John) and Evelyn Faiman (Garry). Our very special guest speaker is Louise Nelson (Adrian) Adrian's far better half. Also we are delighted that both Sheryl Furman (Larry Blode) and Patsy Marks (Ian) will also address our Club. Please note Madam Chair will be Jan Hill.

And the highlight and major excitement will ofcourse be the return of the Sgt At Arms extraordinaire, Coryl Asher (Geoff). You have all been warned.

To be clear, DO NOT upset Coryl.

You will note the parenthesis is noted for Rotarians of the ladies (as per Rotary tradition in listings etc, but the shoe is on the other foot).

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to heubergd@anz.com Preferred deadline Friday 5pm..

From Ladies to the future Rotary International on: New Generations

Representatives at the 2010 Council on Legislation approved an enactment 28 April to add a fifth Avenue of Service: New Generations

After adopting an amendment to change the name from Youth Service, as originally proposed, to New Generations, the Council narrowly supported the addition to article 5 of the Standard Rotary Club Constitution. The 263-250 vote was received by surprised gasps and applause after a short debate. New Generations joins Club Service, Vocational Service, Community Service, and International Service as the foundation of club activity. Before starting a project, Rotarians are asked to think broadly about how their club and its members could contribute within each avenue.

"It's a significant change – a historic day in Rotary," said Council Chair Mark Daniel Maloney. "Rotarians have always strongly supported youth activities even though they were never part of the four Avenues of Service. I think this strengthens our commitment."

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding. Representative Ronald P. Sekkel, of District 5170 (California, USA), proposed the enactment by saying that New Generations is the future of Rotary.

Opponents argued that youth services are already covered by the four Avenues of Service. One representative said that adding a fifth avenue could decrease emphasis on the other four avenues. Representative Emile M. Rijcken, of District 1900 (Germany), said the new avenue is well deserved. "The volume of activity in youth programs shows how strong Rotary can be," she said. "The addition of New Generations to the Avenues of Service will contribute in an enormous way toward public opinion."

This is **NOT** the Editor, but finally a search through much of Rotary we find where all our Club ladies perhaps get their inspiration? The Ladies of Rotary Glen Eira are perhaps captured in a novel by Norfolk Island resident Colleen McCullough called *The Ladies Of Missalonghi*. Yes NOT the Editor has read this book, an ok read.
