 Members in
 attendance who
 are also Paul
 Harris Fellows.**

**Auf Wiedersehen
 to our
 Exchange
 Student Julius!**

Tonight's guest speaker
Judith Kolt
 "Tell It To the Squirrels"

New Procedures for the New Rotary Year

A new Rotary year is set to begin, and with it a number of changes to the way clubs and districts do business.

The annual per capita dues that Rotary clubs pay to Rotary International will increase to US\$50 in 2010-11, as established by the 2007 Council on Legislation. The 2010 Council approved a \$1 increase for the three subsequent years, setting per capita dues at \$51 for 2011-12, \$52 for 2012-13, and \$53 for 2013-14.

The 2010 Council, which met in April, took several other actions that will go into effect 1 July: E-clubs will become a permanent part of Rotary International after years of participating in a pilot project. Districts will be allowed up to two e-clubs, which are defined as Rotary clubs that meet through electronic communications. Some of the pilot e-clubs have been meeting solely through online forums, while others have combined electronic with in-person meetings. New Generations Service will join the other Avenues of Service -- Club Service, Vocational Service, Community Service, and International Service. Before starting a project, Rotarians are asked to think broadly about how their club and its members can contribute within each avenue. Rotarians in North America will have the choice of receiving either an electronic or print version of The Rotarian magazine. Rotarians living at the same address may qualify for a joint subscription.

Here are some changes that will primarily affect Rotary districts:

District assemblies must be held in March, April, or May, and presidents-elect training seminars in February or March.

The chair of the nominating committee for district governor must notify the current governor of the committee's candidate within 24 hours, and the governor must inform clubs within 72 hours.

When a governor-elect position is vacant less than three months before the International Assembly, the successor will automatically fill the vacancy, if he or she is willing.

If two or more governor election complaints are filed in a district in a five-year period and the Board believes that the RI Bylaws or election complaint procedures have been violated, it may disqualify the nominee, select a past governor to serve, and remove any governor, governor-elect, or past governor who is improperly influencing or interfering with the election process. The Board may dissolve any district and reassign its clubs to other districts if three or more election complaints are filed in a five-year period.

Here are some changes that will primarily affect Rotary clubs:

No club may limit membership based on sexual orientation.

Clubs must inform their district governor of a proposed change to the club name or locality at least 10 days before voting on the proposal.

The immediate past club president will be considered a club officer and a member of the board.

The RI Board may suspend or terminate the membership of any club that retains any member who has misused funds from The Rotary Foundation or who otherwise has breached the stewardship policies of the Foundation.

Clubs accepting a transferring or former Rotarian must first secure a certificate from the former member's club confirming that person's membership. The former club is obligated to verify that the member does not owe any debts to the club. A prospective member cannot join a new club until all debts have been paid.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to heubergd@anz.com Preferred deadline Friday 5pm..

President Jan Hill

TUESDAY July 6

6.15pm for 6.30pm till expected later night conclusion

Special music entertainment. \$35 pp RSVP PE Jan

JUDY KOLT—Our Guest Tonight

Judy Kolt was born in Poland in September 1936, second daughter of Stefan and Fela Jablonski. The family owned a timber mill in Zloczew, and enjoyed moderate wealth.

The first three years of Judy's life were very happy.

Then everything changed –

The other life began. The life of being herded like cattle into a ghetto, the life of a yellow star armband, the life of hunger and fear.

Judy owes her survival to the heroic deeds of her parents, who's courage and love guided them, as well as her older by three years sister Tosia.

Writing a book in their memory is Judy's way of saying thank you.

Dr Jenny Oscar - Our Guest Lat Week

Dr Jenny Davey (as she practices in this name), is a Belmont (Geelong area) Rotarian. She is our steemed member, Geoff Oscar's daughter. She spoke to the Club about the National Youth Science Forum.

Jenny also has a Royce Abbey Award and is a recent Paul Harris Fellow.

Jenny spoke about the incredible buzz and feelings she gets out of her involvement in this Youth Forum. To watch the youth develop in their time away is profound. There are terrific speakers but it is the activity that generates the lasting influences as the students later become adults. The program has an expectation of a science student who will do Year 12 the following year. Jenny played "mum" and really wan't called to do too much medical care. Her passion is for the forum and its effect on the students. A great night and it was Jenny's first visit to "dad's" Rotary Club. Geoff we also salute you on the continuation of Oscar service, above self...

This is **NOT** the Editor. Nor is it Club Jeff. So with the need for membership and the wonderful Jeff fit we have what about another Jeff joining our Club?
