This week — RC Glen Eira Annual Youth Awards.

Welcome to the biggest night on the New Generations Calendar. Tonight, we celebrate the achievements of our young citizens of the Glen Eira region and recognise the fine work that they have done for communities both locally and overseas.

For their efforts, the winner will receive a \$500 cheque to the charity of their choice, and their school will also win \$500 to go towards a scholarship.

Our special guest speaker will be Rich Burchall, actor, speaker, writer and performer.

Our thanks go out to Jeff Nirens, Debbie Panakos and Larry Blode for making it all happen.

District Partners up with Texas...all Clubs matched
 Many of you have been eagerly awaiting the start of this new initiative, giving your club the name of its buddy/mate Rotary club in D5840, Texas. the previous 2 years as Governors Nominee and the Elect arranging a GSE between our two Districts. Upon hearing the RI theme for this year "Building Communities Bridging Continents", it occurred to us that an opportunity existed to not only encourage friendship between our clubs in the same year that we would send each other a GSE team, but we could also "Bridge Continents" by partnering up each of our clubs, and then just see where that would lead. Clubs could start relationships and learn from each other about how Rotary operates in each other's part of the world. Many clubs already have sister club relationships that are very successful and work well for both clubs. We hope that all clubs will embrace this opportunity to bond and have some fun getting to know our GSE District a little bit better.

We have been advised by District that our allocated club in District 95840 to partnership with this year is Canyon Lake USA.

President Jan Hill has drafted a letter of introduction from our club and how we might work together

As the global economy teeters on the brink of disaster, a young Wall Street trader partners with disgraced former Wall Street corporate raider Gordon Gekko on a two-tiered mission to alert the financial community to the coming doom, and to find out who was responsible for the death of the young trader's mentor.

"Money Never Sleeps" is a sequel to the 1987 popular movie "Wall Street". It follows the actions of a Wall Street trader after his release from prison
