The Gen News (Club News)

Sunday February 13

Happy New Year to you all. Now that you all have your 2011 diaries operating, link in **Sun 13 Feb** for the annual visit to **Ray McInnes's church** in Albert Park and afterwards for a **Yum Cha Lunch** at the nearby **Saigon Restaurant**. Details to follow. In the meantime lock it in, See you this week, and regards **John Strong**.

(Editor's note: these are great fellowship, a wonderful sermon and a great lunch.)

Geoff Oscar not backwards

Just a quick note wishing our esteemed charter President and program director, **Geoff Oscar**, all the very best wishes, as his back is having surgery. Geoff will have some leave of absence as he fully recovers. Most importantly our whole club sends him the best thoughts and well wishes. Looking forward to seeing Geoff soon enough and no doubt Geoff will be also looking forward to swinging those clubs again (golf clubs!), cheers Geoff.

Small Insects, spiders and members

Is there truth to the rumour that one of the club's small members has had an altercation with an even smaller (Is that believable?) insect or spider? Seems the small one got a bite out of the small one and the small one has been taking medication (all getting better now) but for a while there the small one had quite a bit of neck and shoulder pain and was completely exhausted at the end of the day, and didn't know why? An inflamed and sore ear prompted a visit to the doctor where a small suspect was identified. The whereabouts of the small foe is unknown at this stage. Happily the small one is making a regular "pest" of themselves again.

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to heubergd@anz.com Preferred deadline Friday 5pm..

Our Club's BBQ recently was quite successful and we have this wonderful captured photo with the winning candidate at the Stae Election, our newest member for Caulfield, David Southwick. Incidentally, David is a reation to Keith and Marilyn Faiman. Our Club does all sorts of BBQ's an d such fare raising funds for worthy causes. We will assist where we can.

This week's speaker: David Nettelbeck

Jan Hill.

David Nettelbeck is a Past President of our Club amongst many varied roles. He is also a Paul Harris Fellow (with Sapphire). He has had an extensive teaching career, including in Africa, He is one of most respected Rotarians and we always welcome him back with open arms. Tonight he will unravel the mystery of how they score those year 12 papers. He is a long term Year 12 exam marker.
