The Best Job In Rotary?

Membership of a Rotary Club, wearing the Rotary pin, to us all, is something special in its own right.

However, what's the best job in Rotary?

Ask that question to any Rotarian and you are likely to get a different answer each time. Then ask that same Rotarian that same question some years later, and you may well get a different answer. Rotarians are able to take on different roles each year if they wish to do so.

Could one of these possibly be the best job in Rotary:

CLUB PRESIDENT: a sign that your fellow club members have selected you and have faith in you to lead your club for 12 months.

COMMITTEE MEMBER: be it in a Club or on District, you are adding ideas and contributing to the outcome of a project, idea or task.

GSE: team member or leader, with the opportunity to spend 5 weeks living, learning and experiencing a different culture.

RAWCS: involvement in any International Service activity.

DISTRICT GOVERNOR: the privilege of leading your District, the Presidents, Clubs, Leadership Team and Rotarians to help achieve plans & objectives and promote the RI Theme.

CLUB BULLETIN EDITOR: a position in the club that requires constant information sourcing and publishing/distributing to members. As a bulletin editor or even editor of our District Networker, a week comes around very fast.

DISTRICT DIRECTOR: in a position to encourage Club Directors/Chairs in whatever the Avenue of Service may be. An opportunity exists to implement new projects across the District.

CLUB SERGEANT: controlling the conduct of meetings, holding fine sessions, able to be serious/funny in the same meeting, the challenge of variety and interest each meeting.

RIP: President of Rotary International..... you have reached the top! The choice of RI Theme for the year is yours, and all Rotarians look to your direction and leadership.

CLUB PROGRAM CHAIR/DIRECTOR: Adding the balance of Rotary/non Rotary speakers, local business people and the various topics of the guest speakers at your club. Or could it be.....?

The answer to the question "What's the best job in Rotary" is of course.....

ALL OF THE ABOVE and many others.
