Warnambool - Building Communities, Bridging Continents

Dear President of the Rotary Club of Warnambool,

## LAST WEEK: PDG Ian Knight

Last week Past District Governor, Ian Knight was our guest speaker. Ian has been in Rotary for over 40 years. He has a 100% attendance record as well as never missing a District Conference. He was also the District Governor when our Club was inaugurated. He handed the chains of office to Geoff Oscar. Ian spoke about the project in assisting birth mothers and locals assisting to learn about this passage of life, the first and most fundamental. The project is complex and Foundation is looking at these types of bigger and beneficial projects. There are top line people involved in this great work. Ian also noted his great grandfather was an architect in Melbourne's inaugural parliament (Federal Parliament until 1927). We were delighted as always to see and listen to Ian Knight.

### The Late Mr. Maurice Nirens

The Club extends our deepest sympathy and condolences to our esteemed member Jeff Nirens on the passing of his father, Maurice Nirens. At this difficult time, all member's thoughts are with Jeff and his family. We send you our good wishes and blessings. *(Details of arrangements are noted on the front cover.)*

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to [heubergd@anz.com](mailto:heubergd@anz.com) Preferred deadline Friday 5pm..

## Flood collections

Our Club ad details of future collections

Drawing upon our on-the-ground experience gained during the Victorian Bushfires, it is important for us to be reminded that we are not a first-line response agency – we can't fix the problem, but we are well placed to support the recovering community and provide required assistance when the time comes for us to play our hands-on role. This Rotary does best. It helps build communities into the future and restores community spirit and goodwill. If you are unable to assist on a collection day, you can also make a direct donation as follows: **Rotary District 9800 Australian Flood Disaster Appeal** *(Direct Distribution Fund, Non-Tax Deductible Donations)*

- Non-tax deductible
- Rotary has full control over the distribution of the funds to projects

Please make donations through your bank or forward your cheque payable to:

**Account Name:** Rotary International District 9800 Inc. Australian Flood Disaster Appeal **Account BSB:** 033181 (Westpac) **Account Number:** 377982 **Bank Address:** 360 Collins
