 Meets at: London Tavern, **414 Hawthorn Road, Caulfield**
 We Meet at 6.30pm for 6.45pm each Tuesday evening

Back in the Editors Seat Again.

Hello All and Happy New Year. My greatest thanks to David for looking after the editors chair while yours truly to time off to have a break.

In my travels, I learnt many things especially when I had the opportunity to meet other Rotarians from the USA.

However, nothing is quite as good as returning to my club after an extended break to be greeted by the members and having a great time, listening to the amazing things that our club has achieved.

Let's lead the way and bin our Gen when finished.

- Install sheet metal guard over height differential gap on the exit ramp
- Dorm 2; Hand dryers x2, and clothing hooks to be installed
- Dorm 2; Mirrors to specified height for disabled bathrooms to be installed
- Games Room - Security mesh doors may be able to be installed in front of some non-complying glass panes.
- Place gravel from stock piles to fill-in 'wash-away/potholes' in main driveway
- Weed any newly emerged weeds from garden/planted areas around new units and dorms.
- Removal of small dead trees from garden beds
- Straighten the flag pole support structure and re-establish flag pole.
- Collect fallen branches around the lawn and around the toilets and the Jennings plantation
- Fallen trunks that were moved to the tennis court/car park need cutting, chainsaws required
- Bring chainsaws and cut-up large tree fallen in adjacent to stock water tank. Then take the blocked firewood to stack near tennis court and stack some near double entry doors to hall
- Basketball back boards need repaint
- Ground levelling in the NE corner, near small water tank where trees have been removed
- Ground levelling and rubbish removal alongside future games room and around tree trunk adjacent
