A Letter from a grateful Father

Dear Geoff,

you cannot imagine, how happy I and my family are about your lovely welcome of our daughter Luisa.

Luisa enjoyed the meeting of the Glen Eira Rotary Club very much. We think this was one of the luckiest days for her and she told us how happy she was to make contact to so many members, especially Debby. Of course Luisa is also interested to keep contact to your club, if it is possible.

Many, many thanks for this, it was a great Rotarian experience for me and my daughter Luisa.

Now we hope, that Luisa will have the chance to change school and visit the Glen Eira college next term, but we are afraid, that S.C.C.E. will not support this.

By the way I visited the homepage of your club and I'm very impressed about all the activities I can find there and I will report my friends in Wuppertal-Süd.

best regards

A rare occurrence

There was a knock on the door this morning, I opened it and there was a young bloke standing there who said:

"Hi, I'm a Jehovah's Witness".

I said "Come in and sit down, what do you want to talk about"?
He said, " I don't have any idea, I've never got this far before"
