This weeks speaker— Sharmila Acharya—“The Life of an Ambassadorial Scholar”

My name is Sharmila Acharya and I am very fortunate to be the Rotary Ambassadorial Scholar from Rotary District 5360 (Rotary Club of Lethbridge Sunrise). I graduated from the University of Calgary with a Chemical Engineering

Undergraduate degree in 2006, but am now following a different path in the Environmental Engineering area, specifically Water and Wastewater Treatment. I am here in Melbourne to pursue my Masters of Environmental Engineering with a focus on Water Resources at the University of Melbourne.

My interest in the Rotary Foundation came from its commitment to the community and instilling goodwill to the global environment. I feel that my vision is aligned with Rotary's vision as I have ben an active member of the Southern Alberta community from a young age. My most notable Ambassadorial Scholars commitments include: The Alberta Water Works Association, Green Calgary, United Way, and Toastmasters International. I have used my status as an East Indian Classical dancer to help out many non-profit organizations and support many charitable functions for 5 years. Thank you Rotary for giving me this opportunity to continue doing what I love to do.

DG Weekly Message

All Clubs, Rotarians and those in the District Leadership Team in our District are extremely busy at this time of the year. Presidents are finalising their plans & objectives for this year and Presidents Elect are on hold, prepared and ready to launch into "Reach Within to Embrace Humanity". Our extremely hard working Rotarians on District are also doting the i's and crossing the t's, ensuring that their portfolio is ready to hand over to someone else, or that it's ready to move smoothly into Rotary year 2011-2012. Good luck to you all at this important and busy time of the year.

It was great to see many of you at this year's District Assembly, held around the District half way mark, at lovely Kyneton, last Sunday 15th May. Well done to DGE Keith and Gabrielle, District Trainer Elect Philip Archer and next year's DLT for providing excellent training to our incoming office bearers for 2011-2012. I'm sure that next year under District Governor Keith, the Leadership Team, Presidents & you all..... that the future of Rotary in D9800 is in very good hands!

These events are so worthwhile. It's a pity more of our Clubs don't send more of their Rotarians. Why you ask, because as we all know, EVERY year in Rotary is different, with different focuses, themes and leaders. Another benefit of these events is of course meeting your fellow D9800 Rotarians. Well done to all and thank you RC of Kyneton, for a job well done.

I attended the 5th Boroondara Papers breakfast meeting held by the Yarra Cluster (hosted by RC of Kew), and held at Kooyong Tennis Club for breakfast on 12th May. The large crowd of 130 plus thoroughly enjoyed the talk by Brigadier Nick Jans, on Marysville and Leadership.

And finally, in the weeks remaining in this Rotary year, don't forget to enter your Club in the District Awards (by 13th June), and remember to dig deep for our Club contributions to The Rotary Foundation, our charity that does so much good in the World, that needs our support every year. We wish all those going to the Rotary International Convention in New Orleans a very safe and enjoyable trip. Farewell also to GSE TL Ross Butterworth and his team who leave for D5840 in San Antonio, Texas this week. We know they will be outstanding representatives for us and will have a life changing

Rotarians are encouraged to use **THE GEN** as a means of sharing information about Rotary coming events and news. Your item can be emailed to lblode@logon.com.au **Preferred deadline Friday 5pm..**
