Aye Jimmy, We're a' Jock Tamson's bairns!

Patsy Marks explaining the finer points of Scottish Dancing

Well I'm fair puckled! What a great evening we had last week.

Patsy and Ian Marks introduced us to the great pastime of Scottish Dancing.

Scottish Dance or sometimes referred to Scottish Country Dance is not to be confused with Scottish Highland Dance.

Scottish Dance has 4 types of dances, being Reels, Jigs, Strathspeys and one other that I can't remember.

The dances are done as a couple either 2, 4, 6 and 8 and the challenge is to remember which way to turn with which foot and hand leading.

Ian and the rest of his club St John's Scottish Country Dance Group showed us the various dances as Patsy explained the various locations to visit when in Scotland.

Then it was our turn. With much jeering and cheering, yours truly, along with many other club members we were introduced to a basic dance.

After 4 minutes we had a great workout and there were smiles all 'round.

This is one event I would love to see at the club again.

While Club members were volunteering at the DIK store last Tuesday - they were called upon to grub out two tree stumps in the memorial garden at the front of the warehouse.

After a huge battle with nature, including the use of pick, shovel, saw, John's FWD, the forklift and numerous profanities the job was done (we will not comment on the desecration of the garden or the contribution to global warming by removing trees) - see photo of triumphant loggers!

Those attending were John Strong, Jack Dimand, Geoff Oscar, Kurt Langfelder, Sam Binstock, Alan Samuel and Geoff Asher

regards Geoff
