FAMILY OF ROTARY

Dec 6, 2011

Volume 22, Issue 18

A Cool and Chilled Lawrie Koger showed us the Antarctic

Lawrie shows us the way of life down south

As it was with this enthralling lecture on life way down south in the Antarctic.

Lawrie treated us to many photos and anecdotes showing us living conditions, transportation, science and of course penguins.

The evening could have gone for another hour but alas it was 8:00pm and we had to finish.

A hundred years ago the Australian Antarctic adventure began.

On Dec 2 in 1911, Sir Douglas Mawson and his crew of 31 set sail from Hobart towards the great southern unknown.

The ill-fated expedition, done in the name of science, was celebrated with great fanfare on Hobart's Derwent River.

Christmas Holiday Dinner

This year's pre holiday dinner will be held at the Bentleigh RSL 540 Centre Road Bentleigh on the 20th Dec. Our night will be held in a private room, giving us a more intimate setting.

Should anyone have special dietary request these can be fulfilled. Your family & friends are more than welcome to join the festivities.

Best Wishes Sam Binstock

THE ROTARY FOUR WAY TEST

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
