## Rotary pledges assistance to communities

From the Nigerian Tribune...

Written by Yinka Oladoyinbo,

The Rotary Club of Ijapo in Akure, Ondo State, has expressed its readiness to assist 15 rural communities in Akure South, Akure North and Ifedore local government areas of the state to solve their water related problems.

Already, three of the communities, Oke-odu, Ilere and Ikota in Akure South have benefited from the gesture of the club.

The new president of the club, Kehinde Ige, who spoke at his investiture as the 28th president of the club, said the club had provided water for the communities, while arrangements were in advanced stage for the implementation of the projects in other communities.

He said, "We have been able to solve part of the water problems of three rural communities in Akure area. Those communities are Oke-Odu, Ilere and Ikota. Within the next six months or so, we want to cover about 15 other rural communities in Akure South, Akure north and Ifedore local government areas."

He disclosed that the two plots of

land for the club at Ilekun would be developed to a community recreational centre and a blood bank where indigent patients that could not afford to pay for blood would get it free.

He said the club would make the blood available for such people as the centre would be managed by qualified doctors, nurses and laboratory technologists.

Ige stated that the club was ready to implement programmes that could further make living more meaningful to the people of the rural communities in the state.

The chairman of the interim committee of Akure South Local Government area, who also chaired the occasion, Jide Adejuyigbe, commended the club for contributing to the development of the society.

**THE ROTARY FOUR WAY TEST**

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

**DIK Back to School Exercise Book Project**

The “Back to School Specials” specials usually feature cheap exercise books, the basic building block for education. This is the item most requested from Donations In Kind for their overseas projects.

For the past couple of years DIK have been distributing a wonderful donation of 750,000 books, but all good things come to an end and they are almost gone.

With books available for a few cents (Big W packs of 3 for 10cents) it’s a simple and affordable way for Members and their friends to support a student who needs our help. If you see a store running a Back to School promotion have a look around. There is a very good chance cheap books will be available and it never hurts to ask.

In the past our club have supported this project with books pencils crayons and even simple school bags. Please consider your support again. Bring your donations to the club and John Strong will collect and take to the DIK store.

Glenfarclas is renowned for producing Single Highland Malt Scotch Whisky in the traditional Speyside style, with a heavy Sherry influence. We produce a wide range of expressions from the mouth-watering freshness of the 10 Years Old, to the indulgent 30 Years Old. One of the delights of Glenfarclas is exploring the subtle differences between the different expressions.
