January is a Rotary Awareness Month

WHAT DO ROTARIANS DO IN SUMMER?

From Vanuatu to New York to Box Hill Hospital, our members have many new stories to tell!

Club President Alan Samuel ventured to Vanuatu to meet up with young Failyne, our former ROMAC patient. She is now 6 and a half, and Alan's visit has facilitated a new water tank for her home, a solar power system and more in conjunction with Rufino Pineda, a member of the Rotary Club of Santo.

Many a sausage has also been eaten by our members from sizzles at Rotary Clubs around the Victorian coast.

The Editor in his travels visited Disneyland, the happiest place on earth, created 60 years ago by Honorary Rotarian Walt Disney. To our knowledge, Mr Potato Head (right) is yet to join a club.

ROTARY PROJECT OF THE WEEK

NYE Police

Each year the Rotary Club of Rosebud-Rye takes its food van to Rosebud Police Station to cook a meal for the police on duty on New Year's Eve.

This seasonal town balloons each summer holiday and 115 grateful policemen and women very much appreciated the club's efforts to help them prepare for their unenviable duties on New Year's Eve.

This event cements an already excellent relationship between the club and the local police force. Last year, the club donated \$3000 toward the purchase of an All Terrain Vehicle for local police on the Southern Peninsula, including use on beaches, fire patrols or assistance at any major events on the Peninsula.

The Masterclass Concert Program in association with Rotary Caulfield and the Glen Eira Community Grants Program are proud to present
