About our Club

Our Club is part of the international Rotary family of 1.2 million Rotarians located in 166 countries:

- we help the community of Glen Eira
- we help international communities
- we increase ethical standards within our vocations
- we have great fun doing so

The Rotary Club of Glen Eira celebrates its 20th anniversary this year.

The Club was formed out of the Rotary Club of Caulfield in 1986 when a number of members of the Caulfield Club wished to establish a club that met in the evening rather than at lunchtime.

The Rotary Club of Caulfield-Rosstown was born and chartered on 21st August 1987. In the 1990s with the amalgamation of local councils and the formation of the City of Glen Eira, the club changed its name to the Rotary Club of Glen Eira.

The Rotary Club of Glen Eira is very conscious of being a part of the City of Glen Eira. It enjoys a good relationship with the local council, schools and other Rotary Clubs.

What we do

Our club members are involved in a wide variety of projects and events. In addition to our weekly meetings featuring interesting guest speakers, we are active in the following areas:

Community

- We support the Caulfield General Medical Centre in building their new mobility track around hospital grounds. The purpose of this track is to provide an outdoor area with varying surfaces so clients with mobility problems can practice walking in a real-life setting. They will be able to experience a whole range of surfaces that they would encounter in daily life, on the one track.
- In conjunction with Caulfield Grammar students and the City of Glen Eira, our club helped transform the courtyard at Warrawee Aged Care
- We helped renew the mobility garden at Clarence Parkside Court in Elsternwick
- Support of other organisations, including the Bone Marrow Research Centre, Autism Victoria, the Australian Kidney Foundation, and the International Diabetes Institute.

International

- This year we helped send a container of goods to the village of Popondetta in Papua New Guinea
- We have a sister club in Japan, the Rotary Club of Ogaki-West. Next week, some of our members will travel there to celebrate their 45th anniversary
- We hold international cooking classes for our members. It's a great way to raise funds and have fun at the same time
- Our 2006 Soup Calendar was sold to raise funds for the District's Save a Village Initiative in India
- In Sao Paulo Brazil, we helped build and fund a computer classroom for impoverished children
- Our annual Trivia Night raised funds for international projects

New Generations

- Our club has a proud history of hosting and sponsoring youth exchange students from around the world
- We donated to Les Twentymans' Open Family to buy books for needy children
- We established an Interact Club for young people aged 14-18 at Glen Eira College
- We present an annual Youth of the Year Award to a young person in the City of Glen Eira who demonstrates the Rotary ideals of "Service Above Self"
- Stan Alves spoke at a dinner to raise funds for research into youth suicide and depression

Vocational

- Members of our club are involved in the City of Glen Eira's Business Mentor Program
- We seek nominations for our annual Business of the Year Award
- We organize vocational days for our District's Group Study Exchange Team
- We present an Unsung Hero Award for volunteers in the local community
